Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
