VERNON PROUD

Celebrate Amazing Activist Artwork!

3rd and 5th graders have been creating incredible suminagashi collages to educate the Vernon community about [Line 3](#), which is one of the largest crude oil pipelines in the world, carrying up to 915,000 barrels per day of one of the dirtiest fuels, tar sands. The pipeline goes through Michigan and the White Earth reservation, which is Ojibwe and Anishinaabe land. Line 3 threatens the water they drink and the wild rice they harvest, as well as worsening the climate crisis for all. The amazing students were inspired to write letters to the Governor of Minnesota to ask him to stop the pipeline and to protect their futures! The artwork is now up in the hallways of Vernon, please come check it out. You can also see some of the students' artwork and letters [HERE!](#)
