Notice of Bell Schedule Changes

PPS will be changing bell start and stop times at a number of schools, including Vernon. As of the start of school in Fall 2017, we will start at 8:45 and release at 3:15 p.m. This minor adjustment is part of a District-wide alignment of bell schedules. Please take note of this change.

The schedule alignment allows for more efficient bus transportation, makes it easier to schedule substitute and itinerant teachers, provides more consistency in instructional time, and allows for better use of teachers' professional development time.

If you have questions about the change, please contact Antonio Lopez, alopez@pps.net, 503-916-3440.

Dear Vernon Community,

Vernon School will soon be celebrating the promotion of our 8th grade class. It has been a standing tradition in our community to present each departing 8th grader with a gift bag containing tokens of appreciation and recognition from the community.

We welcome any donations from the community. Great gifts for students heading off to high school include lanyards, pens, pencils, markers, or water bottles. Notes of encouragement are also welcome.

There are 27 8th graders promoting this year, and our celebration will be held on June 14. You are welcome to drop off any donations in the Main Office or directly to Ms. Wicker in Room 215.

This is an exciting time for our community as we celebrate the success of our oldest students and send them along on the next step in their journey. We have shared many years with these students and their families, and we look forward to seeing what they achieve in the future.

Thank you in advance of any contribution you can make to our 8th grade promotion gift bags.

Sincerely, Tarehna Wicker (twicker@pps.net)
8th Grade Teacher and
Middle Years Programme Coordinator
