

West Sylvan Middle School

Welcome 6th Graders

By the end of this Assembly

- I know who to go to if I need help at West Sylvan
- I know the expectations of an assembly
 - I know the definition of a growth mindset - and can use it as we move to distance learning

WEST SYLVAN

What expectations/agreements do we have for ourselves in this community?

Pack Norms for a Successful “Meet”ing

Participate respectfully (raise your hand, mute when not sharing, keep 'chats' on topic-appropriate)

Keep yourself engaged - Listen to speakers. Think of questions you may have (take notes)

Listen and respond respectfully - Allow other voices to be heard. Take turns.

Reach out when you have a question or need help (self-advocacy). Plan to meet or contact advisory teacher, or other staff member you feel comfortable with.

Counselors

Who are we?

What do we do?

How to reach us?
