

**April 29, 2022**

**Happy Friday West Sylvan Middle School Families,**

We hope that your April is finishing strong! April has been a busy month at WSMS, and statewide testing has been underway in English classes this week. This testing is different from the MAP testing that we did twice this year already, and the results will likely not be available until sometime next fall. The testing will give our families some foundational benchmarks for math and English to see where scholars are landing in comparison to national averages.

Our [WSMS Choir](#), led by Lindsey Wildman, recently participated in the Choral-palooza at Cleveland H.S. We are grateful to have Lindsey with us to continue growing our WSMS Choir! Also, earlier this month, a number of our talented WSMS musicians were selected for the All-City Honor Band, and you can now view the video of the performance from April 9th [here](#). WSMS has so many talented scholar-musicians! There are a few more shows of the LHS Drama Production, "Sound of Music", which includes three current WSMS scholars who were chosen to perform in the production! You can buy tickets [here](#). Also, Superintendent Guerrero stopped by to see our scholars in action a bit today. He saw several of our DLI classes, a French class, some 7th grade lunch in action, and a sixth grade block classroom during his visit.

As we continue to plan for next school year, we are hopeful that we can have more families involved in regular school activities such as volunteering on campus, taking part in our WSMS Foundation, and serving on School Site Council and School Climate Committees. If you may be interested in having a voice in one or more of these school groups, please sign up [here](#). Also, the [22-23 PPS approved calendar](#) is here for your future planning.

### For 8th Grade Families:

- **8th Grade Oaks Park Trip** (rides) on Wednesday, June 8th, chaperoned by educators and administrators. Scholars who choose to attend will bus to Oaks Park from campus and return by dismissal. Scholars will need to be in good standing (no suspensions, referrals to administrators, patterns of unexcused absences, etc.) to attend. This is a fun privilege, not an automatic right.
- **8th Grade Promotion** is at Lincoln High School on Thursday, June 9th at 6 p.m. so that you can start planning ahead. Each scholar will have **four** guest tickets for family members. More information will be shared as we get closer to the date.
- **[WSMS Foundation Oaks Park Event for 8th graders:](#)** This will be an optional evening event for our 8th graders hosted by our WSMS Foundation at Oaks Park on Friday, June 10th. Families will have to self-transport for this event, as it is a Foundation-sponsored event. More information is on the link above for those who want to participate.

### For 7th Grade Families:

- **[Neon Nights Glow Party](#) sponsored by WSMS Foundation:** Friday, June 3rd in WSMS Gym from 6:30-8:30 p.m. Sign up, and pay in advance to attend.

### For 6th Grade Families:

- **Outdoor School** permission packets went home through science classes. Outdoor school will be on **May 16th and May 17th, off-site**. There will be two day trips to off-site locations for a modified outdoor school experience. The day trips will have school bus transportation, leaving WSMS at 9:30 a.m. and returning to WSMS around 6:30 p.m. both evenings. Both lunch and dinner will be served both days. We'll send sack lunches with scholars for lunch, and ODS will provide dinner.
- **[6th grade skate party hosted by WSMS Foundation!](#)** Wed, June 8th, 7-9 at Oaks Park

### For Families with 5th Graders Coming to WSMS in 2022-23:

We will host two in-person informational sessions at WSMS on Monday, May 9th and Monday, May 23rd from 4:30-6 p.m. These will be opportunities to hear from school administrators, get an overview of WSMS classes, programs and supports and see the campus. If you are interested in attending in-person, please sign-up [here](#). We will also share a video of similar information so that anyone who cannot attend these sessions can hear information.

We are also collaborating with our K-5 schools to arrange an in-person visit for 5th graders with their teachers on the morning of May 25th. Principals and 5th grade teams are planning for that fun morning here at WSMS! They will bus to WSMS, participate in some orientation activities with our staff members, tour campus, and get an introduction to middle school. More details on that visit will be shared as we finalize details with our K-5 school teams.

### **Advancement Via Individual Determination (AVID) Classes for 22-23:**

We are looking for applicants to join our AVID elective for the 2022-23 school year. Why is an AVID experience a good thing? AVID scholars have a history of proven excellence with 94% meeting all 4-year university requirements, 90% accepted directly to 4-year universities out of high school, 84% persist in the second year of university. If you are interested in having your scholar join AVID, *and* your scholar is also interested in joining AVID, please complete this interest [form](#).

### **MYP News:**

WSMS completed our consultancy visit last week. We are excited to be gaining momentum again in our professional development goals toward eventually being an authorized IB Middle Years Programme. [Please visit this slide deck for more updates on WSMS MYP implementation](#). MYP lessons and units focus on inquiry, discussion, analysis, critique and defense of work, critical thinking, investigation projects, and performance-based assessments. Developing the MYP Learner Profile means an emphasis on teaching scholars to be inquirers, knowledgeable, communicators, principled, open-minded, caring, educational risk-

takers, balanced and reflective learners. Our families can also learn more about our work toward MYP authorization [here](#).

### **Host Family Needed for an Arabic Educator for 22-23 School Year:**

Through the American Councils for International Education, WSMS has been awarded a grant for a fully-funded educator to join our team to teach Arabic for up to 20 hours a week as an additional World Language option for the 22-23 school year. We are looking for a family willing to host the educator, who is coming from Egypt, and will be joining the WSMS team. Through American Councils, the educator is given a living stipend to pay for living accommodations, if hosted by a private family. There would be two needs:

1. A host family to provide a comfortable space for the educator to stay for the first two weeks upon arrival in the U.S. while we secure housing (arriving on August 11, 2022).
2. A host family to provide a room for the educator for the school year (August-June, 2023) and help with transportation needs to and from WSMS for work, as the educator would not have their own transportation.

If you are interested in being a host family, and would like more information, please fill out the form [here](#).

### **Drop-off and pick-up:**

We have family concerns about fellow family members who are driving unsafely in our parking lot and in the streets near campus during drop-off and pick up. Please drive slowly, watch out for the various scholars who are likely not looking at the movement of vehicles, and yield to humans as they cross.

### **Community Care and Neighborhood Safety:**

Our neighbors in the West Slope community ask that while parked and driving in the neighborhood we all continue to practice care and kindness toward their property, and that we report any damage to the homeowners should an accident occur. They also ask that we please do not block their driveways during our pick-up and drop-off times. We appreciate your cooperation!

### **WSMS Foundation:**

Our families and Foundation are gearing up for our Teacher Appreciation Week next week! We appreciate all of the planning and thoughtfulness of our families to show our educators care in the week ahead!

Please support our WSMS Foundation! Every contribution helps our school by allowing us to fund educational opportunities and events for your scholars! Please consider donating to WSMS Foundation to help support important instructional additions for our scholars in the coming school year. Every donation helps!

You can donate and find out more information about our WSMS Foundation and their amazing work for our scholars [here](#). Also follow them on Instagram @[west.sylvan.foundation](#) and check out our West Sylvan students in their [school](#), [sports](#), [performances](#), [events](#)...

If you have a scholar event, announcements related to scholars and their achievements, or you'd like to advertise let us know. [Email Lisette Crepeaux at thecrepeauxs@gmail.com](mailto:lisette@thecrepeauxs@gmail.com).

### **Daily Loaner Laptops for Scholars:**

We no longer have a supply of daily loaner chromebooks to issue when scholars forget their chromebooks at home. Please help remind our scholars to take their \*fully charged\* PPS-issued chromebook to and from school each day. We distributed BumpArmor cases to all scholars, and we ask that you please encourage your scholar to use the case to protect and extend the life of their device.

### **Help with Cell Phones:**

Our catch phrase that we use at WSMS regarding cell phones during the school day is, “**Out of sight and away, unless we say.**” Any additional monitoring you can put in place to keep an eye on your scholars’ social media activity is also greatly appreciated! There are times when scholars may need to access their devices for family reasons or even in instructional settings, and we encourage speaking with an adult if such a need arises. Also, several families have had concerns with their scholars’ use of cell phones throughout the day for non-instructional reasons. We will continue to remind scholars of this expectation throughout their school day. If scholars post inappropriate content on social media, please report the account for review.

Some families have inquired about apps that can restrict various features on cell phones for scholars throughout the day so that they are not on social media and are not tempted to engage with others through social media platforms. Here are some tips we have given families: **NY Times Article:** [The Best Apps for Managing Your Kids Phone](#); [Support for Apple](#); [Support Google](#); [Family Time Article & Tips](#); [Verizon Support](#).

### **Picking Up Scholars:**

Per Oregon law, *an approved adult is required to sign out any scholar* who leaves campus before the end of the school day. Our office has been experiencing heavy family traffic prior to our 3:45pm dismissal, due to daily early pick-ups. If possible, we ask that you avoid picking up your scholar between 3:15pm-3:45pm as you will not find parking, and our office staff is limited in the afternoons. Any planning around that time frame is appreciated.

### **COVID-19 Updates:**

There was one COVID-19 case reported this week who had been *on campus*.

### **Notes of Appreciation?**

The notes left for our educators really do brighten a lot of days for many of our team members! If you have a kind note to share, we'd love your feedback [here](#) to celebrate the ways in which WSMS adults support your scholars and your families! A little appreciation goes a long way and can really uplift someone's day!

**Enjoy the weekend! Go Wolfpack!**
