

Dear Stephenson Community,

We had a wonderful 2nd Annual Scramble for the Kids. The powers-that-be will soon have a dollar amount that the Scramble raised for the Foundation. As an event, however, it was an absolute blast and a huge success! I can only imagine how fun #3 will be next year!

Here are the businesses that sponsored a hole at the 2012 Scramble for the Kids. Their contribution was very significant, and I want to make sure to acknowledge them. Please “like” them on Facebook, call them up and tell them thank you, or (better yet) give them a little business and let them know you are from Stephenson!
