

Portland Public Schools is excited to introduce our first district-wide, **VIRTUAL COLLEGE & CAREER INFO NIGHT** for students and families grades 9-12.

Students and families will have an opportunity to attend workshop sessions as well as hear from local and national experts on a variety of college and career topics.

### **Sessions will include:**

- Parenting through the college application process
- Understanding the cost of college
- College test preparation and updates during COVID times
- 9th & 10th Grade College Planning
- Information about advanced training and job readiness options
- AND MANY MORE!

All sessions will be recorded and available for later viewing.

*This event is presented by the Department of College & Career Readiness, in collaboration with College Coordinators.*
