

# Ida B Wells High School Parents: Membership Matters!

## Booster Club

The Ida B Wells High School Booster Club supports all IBW extracurricular activities, programs and clubs. We provide financial grants to sports and clubs, plus the school administration and athletics department. Each year we provide tens of thousands of dollars in grants, covering items such as equipment, player scholarships, camps, trainers, rental fees, transportation, speakers, etc. This funding is not only beyond what is available by the school or district budget, but also strives to elevate the community experience for our students. Our funds come from your tax-deductible membership, game concessions, branded school apparel sales and especially our annual Christmas tree sale. Your membership gives you a voting voice in the allocation of these funds.

## PTA

The IBW Parent Teacher Association (PTA) supports Ida B Wells academics and parent education. It provides academic scholarships, parent education workshops, funds for classroom projects and staff recognition. The PTA also sponsors grad night, the scrip program, and serves as a liaison and advocate for the school within the community. The PTA strives to keep parents informed and provides you a way to make a difference in your child's school and education experience. We all want our children to have a high school experience that prepares them for their next adventure in a safe environment where they can learn and grow. Parent participation is a very important piece of this equation and your tax-deductible membership gives you a voting voice in how we support our students and educators.

***Please complete the membership form to join us, or look below for online options!***
