Box Tops for Education

Do you buy products with this logo? If

so, [visit the BT4E website](#) to learn how to use it to raise money for Beaumont. It's easy! The BT4E website describes their new app and how to use it to scan grocery receipts for participating products. If you have the "clip and save" BT4Es, these can still be submitted as before to the office. Don't let the money from these products go to waste! For questions, [contact Mary](#).

New Recess Options

Friends of Beaumont has been working closely with Mrs. V for a few months to create two new ways for students to spend recess.

The new options will **require at least 2-3 volunteers for each day of the week beginning Monday, March 9**. If students, staff, and volunteers deem these new programs to be successful, volunteers will be needed for these activities as well as for regular recess. Check out [the website](#) for all 3 recess options

Parents: Please sign up for the trial week beginning March 9

Grant High School will offer [American Sign Language \(ASL\)](#) for world language credit starting this fall! **Priority will go to current 8th and 9th graders**. Since this is a change from what was presented to students on the course request form, any Beaumont student who will be attending Grant and is interested in ASL as their language requirement should **let their counselor know (either Mrs. Goodwin or Mrs. Inman-Balanzar) before March 13th!** A list of names will be given to Grant High School counselors before spring

break. Once Grant counselors have the names of students requesting ASL as their world language they will change each student's course requests to reflect their new choices.

PORTLAND+BOLOGNA

LAST CHANCE: Have A High School or Middle School Student Who's Interested In Italy?

The Portland-Bologna Sister City Association is in the 13th year of their Youth Exchange Program and are currently recruiting for the next round of exchanges taking place this summer. A cohort of 6-10 adventurous teenagers from Portland area high schools, **currently in 9th or 10th grade**, who are interested in hosting a student from Bologna the first 2 weeks of July this summer, and traveling to stay with the same student's family in Bologna the last 2 weeks of June, summer 2021 is currently being sought. **March 1 is the application deadline.**

Recruitment is done every two years for the program so if your middle schooler would be interested in this - keep it in mind for the spring of 2022. Scholarships and volunteer internships are available. Check [the website](#) for more information. If you have questions, email [Amy McCandlish Esper](#) or call her at (503) 583-1010.

Report Hate

[Portland United Against Hate \(PUAH\)](#) and the [Coalition of Communities of Color](#) are piloting a system to document hate and bias incidents in the city. It is a partnership of community organizations, neighborhood groups, and the City of Portland working to track, respond to, and prevent hateful acts, while providing the support Portland's communities need. Anyone who has experienced, witnessed or heard about an incident on the news can use the reporting tool.

It is important to document and report hate incidents through this tool to:

- Raise awareness among communities affected by hate to report and get support,
- Advocate for legislation around hate violence,
- Advocate for policies that dismantle racism and target the roots of hate.

If you or a student have witnessed or experienced an act of hate, please report it to [the online reporting site](#), or through one of the organizations associated with PUAH.

Informar odio

[Portland United Against Hate \(PUAH\)](#) y [la Coalición de Comunidades de Color](#) están probando un sistema para documentar incidentes de odio y parcialidad en la ciudad. Es una asociación de organizaciones comunitarias, grupos de vecinos y la Ciudad de Portland que trabajan para rastrear, responder y prevenir actos de odio, al tiempo que brindan el apoyo que las comunidades de Portland necesitan. Cualquier persona que haya experimentado, presenciado o escuchado sobre un incidente en las noticias puede usar la herramienta de informes.

Es importante documentar e informar incidentes de odio a través de esta herramienta para:

Crear conciencia entre las comunidades afectadas por el odio para informar y obtener apoyo,
Abogar por una legislación sobre la violencia de odio,
Abogar por políticas que desmantelen el racismo y apunten a las raíces del odio.

Si usted o un estudiante han presenciado o experimentado un acto de odio, denúncielo en [el sitio de informes en línea](#), oa través de una de las organizaciones asociadas con PUAH.

Reminder: Newsletter Deadline

If you have an announcement that would be of interest to the school community, please email to the [Beaumont Newsletter Coordinator](#) for inclusion in the newsletter. Submissions by 10 pm on Thursdays will be included in that week's newsletter.
