## **COMMUNITY NEWS**

### **Grant HS Water Polo Generals Want YOU!**

The Grant High School water polo club held a successful Intro to Water Polo open house event last month. We had eight new players enthusiastically jump into the water. If you missed that event...not to worry, there is plenty of time to get involved and we've got room for lots more players.

High school water polo is a fun, no-cut, co-ed fall sport and the Grant HS club wants YOU! Never played water polo? No problem. Most of the existing players never did either. Not a strong swimmer? No problem - you will be. All skill and swimming abilities are welcome.

We'll be having some fun team building and fundraising activities over the summer break. ***Official club practices start August 19th and informal swim workouts will likely happen prior to that.*** We're planning to kick off the 2019 season with an overnight tournament against similar teams in Redmond just before the start of school - super fun!

Water polo is a great way to get fit, meet new friends and be a part of a super fun team sport. *Being part of a fall team like water polo enables incoming 9th graders to be a part of an active group of students on the first day of school.*

Come join the GHS Water Polo family. [Email us](#) or surf on over to [our website](#) to learn how you can get involved.

Jump on IN...the water's fine!
