Winter SUN Schedule Input Needed

Hello Beaumont Parents/Neighborhood,
This is Malcolm Parker, Site Manager for Beaumont SUN School. I would like to know if there is any interest for an Adult Watercolor Class and Guitar Lessons through Beaumont SUN School? As I formulate my Winter schedule, I'm curious to see if these classes would generate any interest. If you have any feedback, please respond as quick as possible - my planning time is winding up fast! I would also love to hear what kind of SUN and community classes you would like to see at Beaumont. Maybe you have something you would like to instruct during SUN or as an evening class? [Email me](#) know your ideas or call 503-916-5615.

* Visit [Beaumont Middle School's Website](#) !

On the Beaumont website you'll find a calendar of events including district, school, PTA and Foundation events. In addition, there are many resources that can help you navigate the school year at Beaumont.

* Like us on Facebook? We will provide quick reminders of events and share fun photographs from special school events on the official [Beaumont Facebook page](#).

PTA Needs You

Have you considered being a part of the PTA Board? We are looking for someone that would be interested in the ***President-Elect position***. You would have the rest of the year to learn the role of president under Kelli Rosenquist, current president of the PTA. She is excited to share her knowledge and pass the baton to an interested parent who would then take on the president role for the 2019-20 school year. Please email [Kelli](#) if you have any questions or would like to talk more about this opportunity. It's a great group of people and lots of fun!

We Can't Do It Without You!

A huge "thank you" to the more than 170 parents who joined the Beaumont PTA this year! Your membership directly impacts the students and helps fund necessary classroom supplies, PE equipment, software, and more! Keep a look out for your digital membership card, which should be emailed to you soon. ***If you have not yet joined and still wish to***, you can make checks out to Beaumont PTA and bring to the front office or you can visit your [SCHOOLPAY account](#), click on "Nonprofit Groups" and add PTA Membership to your cart. Thank you!

Happy To Share! – Clothing & Food Drive

Beaumont's annual food and clothing drive organized by Cynthia Plank began this week. In support of this, did you know Beaumont has both a clothes closet, "Shop 16A", and a food pantry, "The People's Pantry"? Both are located in the basement to serve Beaumont students and families. While all donations are generous and will be accepted, here are suggested ways to support the drive:

* Shop 16A needs: 1) NEW underwear, 2) athletic shoes, and 3) winter coats and warm clothing. Please supply **junior and young adult sized** clothing items as these need to fit middle school students.

* The People's Pantry is low on key food staples: pasta, peanut butter, rice & cans of tuna fish.

Items can be dropped off in the band room or main office during school hours or an evening drop off can be arranged by emailing [Marty Stockton](#). As the holidays get closer, please stay tuned for additional ways to support our Beaumont community.

VOLUNTEER OPPORTUNITIES

Recess Monitors Needed

The rain and colder temps are upon us and it may not be as pleasant to be outside but our teachers still need help during recess. If the weather is really bad then recess will be indoors where kids can play games. Please consider sharing 20 minutes of your time to help staff monitor students at either recess period. [Sign up](#) for a spot or many spots! Staff really, really appreciate it!

Beautifying Beaumont

The school grounds require volunteer help a couple of times a year to keep things looking spiffy. If you are interested in helping maintain the grounds, we are looking for volunteers to help out again one Saturday morning in the winter and the spring. Please contact our [volunteer coordinators](#) if you are interested in helping out.

COMMUNITY NEWS

Beaumont Field Health Concerns

If you are a family with dogs and take them to the Beaumont field to run around, please consider using Wilshire Park to exercise your dog instead. Please encourage your neighbors with dogs to do the same!

Each year students experience playing in the field as a fun activity until they step in dog feces or roll

around on the grass ending up where dogs have urinated. This has caused some to have skin irritations and rashes. Our students should be safe at all times including playtime. Safety includes health concerns for the inside/outside areas of our campus. Thank you for your consideration and help spreading the word!

Dance with the Grant Gendrills!

The Grant Gendrills dance team invites all K-8 students to Grant High School for a day of dance and fun on Saturday, December 1st. Dancers will be divided into age groups and will learn a dance routine. There will be a showcase for parents later in the day. Cost is \$35 (scholarships available). You can pre-register by [email](#) or fill out the [registration form](#) and pay at the door. [Email](#) Coach Kali or check out [the flyer](#) for more information.

Safe Routes to School

Fresh air and exercise in your child's day are great reasons to add in a walk or roll but there are other benefits too. Take a look at PBOT's [Safe Routes website](#) to learn more. You can find out about bike safety community rides and tune-up sessions, where to report safety concerns and a calendar of active, family-friendly events.

Clean Air Starts with Us

With the recent poor air quality due to out-of-state wildfires, pollution and winter wood burning, it's more important than ever to consider our own personal habits and actions. Do you ever find yourself waiting in the car for your kiddo and leaving the engine running? Or jumping in the car, starting the engine and then checking your phone for several minutes? We all do it. But maybe it's time to think about the bigger impacts of those little habits.

Unnecessary vehicle idling is bad for our air, wallets, car, and especially our kids. School pick-up and drop-off times are key opportunities to reduce the amount of idling that happens near children, who are the most vulnerable to idling's health hazards. Beaumont Bobcats want to be idle free!

What Can You Do?

* Turn your vehicle off after 10 seconds - If you are waiting for your student for more than 10 seconds, turn off your engine.

* Park and Walk – Help reduce idling and get some exercise by parking a few blocks from school and walking to drop-off or pick-up your child.

* Spread the word - Talk to your family, friends & neighbors about the health and environmental benefits of reducing idling.

In-Home Guitar Lessons

Playing guitar can be more fun than playing video games! [Guitar lessons](#) for kids 6-18 years old.
