Beaumont Newsletter

A PTA PUBLICATION

Over the winter break new and re-purposed bike racks were installed at the school. Most of the bike racks on Fremont Street have been relocated inside the pencil gates along with some additional racks, which will provide a safe place for students to lock up their bikes during school. Improved bike racks have been installed between the school and the music buildings. This bike rack project will provide room for additional bikes and improved security for bikes so that more students, teachers and administrators can ride their bikes to school.

This bike rack project happened through the efforts of many people. Thank you to **Ms. Smith** - who had the great idea in the first place - for all of her planning and coordination and to PBOT for their donation of bike racks. Thank you to **Lynda Wannamaker** for helping coordinate. And a huge thank you to **Skanska** for the generous donation of their time and materials, especially **Tim Baugus and Greg Scott**.

Your Beaumont PTA

PTA Meeting Change
