YEARBOOK NEWS!!!!

Attention **8th grade parents** if you are interested in submitting a baby ad you have the [month of February](#) to do this. It has become more and more of a tradition here at Beaumont with each year more and more ads, so don't delay, submit today. I will not be able to extend the deadline this year.

Here's what I'll need:
Baby Ad Process

1. Find an adorable photo of your child as a baby / toddler.
2. Get the photo to Ms. Bennett; either hard copy via her mailbox in the Beaumont office OR email as an attachment:jbennet1@pps.net
3. Include a message on the back of the photo or in the body of the email. Maximum of 3 simple sentences, better if it's less than 2.
4. Pay for the ad \$15. I prefer the payment to be noted on the bottom of my Yearbook order forms found in the front office. Simply write purchased baby ad on the "white space" at the bottom, this is also a great place to submit your message if you're not doing digital. (School pay is not set up for baby ads.)
5. If hardcopy please include a phone number to contact you so that you can pick up the photo.

Yearbooks on sale for \$20. If you have purchased a yearbook--I have posted lists around the building-- please ask your student to double check. If you have NOT purchased a book, I'm fully supporting the school pay method. Please go onto your school pay account and purchase a yearbook that way, you'll be able to view your payment.

If you would rather submit a form from the front office to Ms. Bennett's box, that's a great process as well.

Please note that if your student has a yearbook purchased by Feb. 28, I do everything within my power to guarantee a photo in the book, beyond the traditional school photo. So purchasing this month is a bonus.

Yearbook prices increase once we return from spring break at which time they increase to \$25.

TAG Family OMSI Night

1 Week Away!

FARMERS THANKS AMERICA'S TEACHERS AND \$2500 GRANTS

Farmers Insurance provides a public online forum to thank individual teachers on www.ThankAmericasTeachers.com. Once a teacher has been thanked, the teacher may submit a proposal for a \$2,500 grant for a classroom or school project on the same website by **February 28**. In order to win the award, the public will need to vote for the proposal, online every day during the voting period. If a teacher has a project in mind with significant community support, it may be a good opportunity. Regardless, the website is a nice way to publicly thank teachers, and it could build support for a future proposal.

Beaumont Fundraiser at Pizzicato April 11

Pizzicato on Fremont will host another fundraiser on April 11, where a portion of their sales that day goes directly to Beaumont. Save the date!

8th Grade Info Nights

Roosevelt HS-Feb. 13

Lincoln HS-Feb. 13.

For more information please check school websites.

Nurse Notes

Exclusion day is February 15th. This is mandated by the state. If students are not current with immunizations or exemptions they cannot come to school until cleared. Multnomah county has free clinics coming up Feb. 11 and 15th. The school

based health clinics will also give immunizations by appointment.

Safe Routes to School

Through the Portland Bureau of Transportation's [Fixing Our Streets](#) program, Safe Routes to School (SRTS) is expecting to make a large investment in safety improvements around Portland schools in the next few years. This spring we're asking families to help us figure out what is needed most. In collaboration with PPS, we will be hosting open houses in each high school cluster.

The **Grant Cluster** open house is only 3 weeks away. Your high school cluster has \$756,000 to spend on transportation safety improvements and SRTS is really excited to hear what your families have to say!

When: Tuesday, February 28, 6-8 pm (families

may drop in anytime; childcare and snacks provided)

Where: Sabin School, 4013 NE 18th Ave.

For more details on Safe Routes Fixing Our Streets visit our [website](#).
