## **P.E. Donation request**

The Beaumont PE department is looking for Ping Pong tables that are functional but not currently being used (the kind collecting dust at the back of the garage next to the 4 year old paint cans, with barely any paint, that will still be there 4 years from now). **Do you have one you could donate?**

We are looking to have them donated to the school or be on loan until summer. If we have a donation or two, we could also use a truck to transport the tables. Thank you so much for your support.

Please contact P.E. teacher, Bill Gerald, for more information and/or to arrange the donation or offer transport service.

## **Science Fair Donation Request**

**From Jenifer Mittelstadt and the Science Fair Committee:**

I want to make sure all of our students have the materials they need to succeed, so I am trying to get a new 3-inch set of letters for our Die Cut machine. I just created a request for my classroom at [DonorsChoose.org](https://www.donorschoose.org): [Font Size Does Make a Difference!](#).

If you chip in to help my students, you'll get awesome photos and our heartfelt thanks.

Thanks so much,  
Jenifer & the Science Fair Committee

P.S. If you know anyone who may want to help my classroom, please pass this along!
