Lewis & Clark Summer Law Camp

Dear families,

Lewis & Clark Law School is inviting 20 interested students from Beaumont Middle School to participate in Summer Law Camp. This year's Summer Law Camp dates are Monday, June 19 - Friday, June 23. This opportunity is free for students, including transportation and lunch.

Lewis & Clark Law School, in cooperation with Classroom Law Project, has run a law camp for middle school students for 19 years. The camp is coordinated through the law school's Academic Enhancement Program, a program designed to provide support to law students from historically underserved communities, who are ethnically or racially diverse, or from challenging socioeconomic circumstances. The law school and CLP strongly believe experiences during the middle school years can shape a student's educational future. With that in mind, the Law Camp for middle school students was established.

For 2017, Beaumont Middle School was selected for this intensive one-week program. In just five short days, Beaumont students will work with law school students to learn the intricacies of a criminal mock trial case. The students will memorize their roles as witnesses and attorneys, and will stage a full mock trial before a volunteer judge. Family members are invited to attend the mock trial event.

If your Beaumont student is interested in taking part in this amazing opportunity, please fill out, sign, and return the application available from the main office on or before Tuesday, June 6.

Priority will be given to students who come from historically underserved communities, such as those that include people of color or from low-income circumstances (may be measured by free or reduced lunch). Students must be able to work well with their classmates and be able to read at a 5th grade level or better.

Families will be notified of their student's acceptance to Summer Law Camp by Friday, June 9.

Summer Law Camp participants will be selected by a team of Beaumont staff as well as the principal. Again, there is no cost for students to participate in this program. Lewis & Clark will provide transportation, daily lunches, and hands-on learning

at Summer Law Camp. Beaumont 8th grade Core teacher Valerie Turner will accompany the students to and from Lewis & Clark each day of camp. Contact Ms. Turner at vturner@pps.net or 503-916-5610 if you have questions. Please encourage your student to apply - this is an amazing learning opportunity!

Student Medications

Parents remember to pick up any medication from the health room at the end of the school year. We cannot send home medication with students or store it over the summer per policy. The last day the office will be open is June 25th.
