New Affinity Group: Writing Group

Calling all aspiring writers, creators, thinkers and story tellers to the inaugural Beaumont Writing Club. This will be a space for BMS students in 6th, 7th or 8th grade to come and discuss, collaborate, analyze, play around with and create stories of any kind.

Do you like novels? Sweet. We'll write those here. Do you prefer comic books or graphic novels? That's cool. We'll have space for creating those forms as well. Really more of a song writer? I love it. We'll be able to explore song and it's rich history of being poems with an added beat or two. More into sketch comedy or funny YouTube videos? Amazing, so am I, and we can dive deep into the world of comedic writing. But what about my screenplay, guy? Relax, we got you. Consider this club your Starbucks on the corner of Sunset and Hollywood Blvd at 2 o'clock on a Wednesday. If nothing else, come by so I can explain that last annoyingly LA-centric joke.

So bring a pen (not really, but it sounds better than chromebook) and join us every Thursday during lunch. We'll think, we'll write, we'll talk about thinking, we'll talk about writing, we'll write about talking (that's dialogue people), we'll write about thinking... you get the idea. The best part is that you all get to generate the material. This is about y'all and your writing, so whatever you're looking to do, I am here to support!

COMMUNITY NEWS

Important Updates from Nutrition Services

Meal access is critical for many of our families and we are working to ensure that meal access continues for all students, whether or not they return to school for hybrid in-person instruction or if they remain in distance learning. All school meals will continue to be free for all students in all schools, and no student ID or names are needed to receive meals.

Once a student returns to hybrid in-person instruction, meals will be served at their

school at the end of each of their in-person sessions.

If a student is staying in distance learning -- or if their hybrid in-person learning has not begun -- they should visit any of our **new meal distribution sites** between 3:30 and 4:30 p.m. on school days to pick up meals. The list of meal distribution sites is below. However, students in distance learning will also have the option to pick up meals from their school. Families should contact their student's school to find the schedule for meal distribution.

New Meal Distribution Sites

For the remainder of the year, grab-and-go meals will be available between 3:30 and 4:30 p.m. on school days for all children in the community (PPS students and children not enrolled at PPS) ages 1-18.

The sites for curbside distribution:

- Beaumont Middle School, 4043 NE Fremont St.
- Franklin High School, 5405 SE Woodward St.
- George Middle School, 10000 N Burr Ave.
- Harriet Tubman Middle School, 2231 N Flint Ave.
- Hosford Middle School, 2303 SE 28th Pl.
- Ida B. Wells High School, 1151 SW Vermont St.
- Jackson Middle School, 10625 SW 35th Ave.
- Jefferson High School, 5210 N Kerby Ave.

Parents for Racial Equity: Beaumont, Rigler, Alameda

The April newsletter focuses on resources and information to Stop Asian Hate. The gun murders in Atlanta, and the increase in attacks on Asian Americans across the US,

implore us to do more. In addition, the trial of George Floyd's murder resurfaces the trauma of that event and continues to shine a light on institutional and individual forms of racism. May those of us that identify as white take extra care to deepen our equity values, commitment, and practice. To sign up for the newsletter and updates, visit [thewebsite](#).

Vaccination Information
