## SCHOOL NEWS

**Yes for Portland Schools: Measure 26-215**, [yespdxschools.com](http://yespdxschools.com)

**Yes for a Healthy Future: Measure 108**, [yeson108.org](http://yeson108.org)

**Yes for Portland Schools (Measure 26-215)** is a renewal of the existing PPS Bond tax rate would mean an historic investment for every PPS student, but especially for students of color and students and families with disabilities. Passing the bond renewal (Measure 26-215) will continue investments in the

modernization of high schools across the city, update curriculum and textbooks, modernize educational technology for students, and address the most urgent health, safety and building systems across the school district — all without raising the current tax rate. Please contact Marty Stockton at [ptabeaumontpresident@gmail.com](mailto:ptabeaumontpresident@gmail.com) for a yard sign.

**Yes for a Healthy Future (Measure 108)** increases the cigarette tax by \$2 per pack and increases the maximum tax on cigars by \$1 per cigar. Measure provides for smaller cigars (sold commonly as “cigarillos”) to be taxed like cigarettes. Measure establishes tax on nicotine inhalant delivery systems, such as e-cigarettes and vaping products, at 65 percent of the wholesale price. Tax on nicotine inhalant delivery systems does not apply to approved tobacco cessation products or marijuana inhalant delivery systems. Revenue from increased and new taxes will be used to fund health care coverage for low-income families, including mental health services, and to fund public health programs, including prevention and cessation programs, addressing tobacco- and nicotine-related diseases.

**The Beaumont PTA Board will be voting on an endorsement of the Yes for Portland Schools (Measure 26-215) and the Yes for a Healthy Future (Measure 108) at the first virtual general meeting on Wednesday, October 14 at 7:00 p.m.**

## A Message From PPS Nutrition Services

Dear PPS Families,

As the 2020-21 school year gets under way, we are excited to share news about school meals. Through our partnership with the United States Department of Agriculture, we will be able to provide school meals for all students at no cost at this time.

The USDA announced that it is continuing a program that made free breakfast and lunch available to all children during the summer. **For Portland Public Schools, that means we will be able to offer seven days' worth of meals every week for not just PPS students, but all Portland children ages 1-18.**

As we announced in August, we have expanded our meals sites to 38 schools where families can pick up sacks of breakfast and lunch on select days, from 3 to 5 p.m.

Our regular meal service schedule will be:

Mondays: 2 days' worth of food

Wednesdays: 2 days' worth of food

Fridays: 3 three days' worth of food

The complete list of meal pickup sites is available at our Fall 2020 Meals webpage. Families are welcome to visit any school site for meals, regardless of whether their children attend that school. There is no need to sign up, register or provide student ID when you arrive. All sites are outside, and we ask that you wear a facemask and practice physical distancing as you pick up meals.

We will continue to inform you of any updates or changes to meal service. For more information or support, please contact the Nutrition Services department at 503-916-3399 or [nutritionservices@pps.net](mailto:nutritionservices@pps.net).
