## Yearbook News

The yearbook staff is excited to share with you that we are working on a Yearbook for distribution this year. In these COVID times, we'll be working on a book that may look a little different than years past, and we are doing everything we can to document it, representing our Beaumont Student Body. We're hoping that you will take photos of your student participating in school. We've provided a [pdf on how to submit photos](#) into our Yearbook. Please take the photos, and submit. Please know if you have some technical issues with sharing them with us, we will work out the kinks as we go along. The important part is to take the photos. Watch this space for more information.

It's important that only the Beaumont student is in the picture. (Sorry parents, very few middle schoolers are comfortable having photos of their parents in a yearbook.)

If you had the opportunity to take a photo of your child during spirit week, please share it with us. While sharing if you can name your photo with your child's name that may be very helpful!

**Stay Tuned for more info on the Yearbook**

-- We'll have more information about purchasing a Yearbook 20-21 in a few

weeks.

-- Families of 8th graders, we'll share information about placing baby ads.

*Thanks for all the interest around our Yearbooks! Ms. Bennett and the Yearbook Staff*

Calling all volunteers!

Even though our students aren't on campus right now, there are still volunteer opportunities for parents, guardians and caregivers to support the Beaumont community. If you would like to be added to our volunteer "roster," please email Emily Merrill, PTA Volunteer coordinator at [ptabeaumontvolunteer@gmail.com](mailto:ptabeaumontvolunteer@gmail.com).

Thank you in advance for your help -- we appreciate you so much!

## **Contribute to Progress. Please Support Our Kids and Teachers**

**The Beaumont Foundation**, which raises money for school staffing, needs you to give this year more than ever. If you are able, please consider making a monthly donation of \$15, \$20, \$30 or more. You can make your donations [HERE](#). One time donations are also helpful in any amount. Check with your employer regarding matching donations for an even bigger impact!

This is a difficult ask at a stressful time and we understand many families are unable to give right now. If you are able to give more on behalf of other families it will make an important impact for all our kids.

Beaumont enrollment has decreased this year which means less money from the district. Furthermore there is a budget shortfall resulting in even less money from the district. In order to maintain small class sizes, elective options, and educational specialists we need to ask for Beaumont families for help.

We've set a fundraising goal of \$60,000 for this year, which is equivalent to \$115 per student. Let's work together to reach that goal. We will keep you informed of our progress throughout the year. Keep Beaumont strong!

Our monthly meeting is on the 3rd Wednesday of every month at 7pm. Please join and contact us for the meeting invite info.

Sincerely, the Beaumont Foundation

The PDX Bridge program at PCC works with students who have experienced homelessness, foster care, or the justice system to offer a highly supported transition into college. In their final year of high school, or soon after earning their high school credential, students join a cohort of peers to take two dual-credit introductory college courses. Students work closely with a college success coach as they navigate the college environment.
