## Beaumont Newsletter for April 20, 2019

***April 22nd is Earth Day - what will you do this year to lighten your impact?***

*One idea: Remember that water is a non-renewable resource and it's used to produce the food we eat. **66 trillion gallons** of water is used to produce food that's lost or wasted. About **1.3 billion tons** of fruits, vegetables, meat, dairy, seafood, and grains goes bad on the farm, gets lost or spoiled during distribution, or is thrown away in grocery stores, restaurants, and home kitchens each year. ## An Invitation from Our Neighbors Día de los Niños y Niñas at Rigler Elementary

Rigler Elementary invites Beaumont families to join them for a joyous occasion of Day of the Children or Día de los Niños y Niñas (a spring tradition from Latin America). The theme for the event is Mariposa - butterfly in Spanish - a powerful symbol that represents our diversity and resiliency. This fun, family event will include a parade, dance performances and a carnival.

### THURSDAY, MAY 2

**5 - 5:30 pm:** Parade for all children - bring your butterfly wings!

**5:30 - 6 pm:** Dance performances by Rigler students

**6 - 8 pm:** Carnival games, food trucks, clown show, dances, and raffle

**\*\*This wonderful event needs volunteers, too!** Please consider helping out for 30 minutes on the day of the festival. Or practice your Spanish and help us create paper costumes and decorations Wednesday & Thursday mornings 9-11am leading up to the event. [Sign up here](#)

## Do Your Bookshelves Need Some Spring Cleaning Magic?

"Beanbag Toss for Books" is the most popular game at the Rigler Carnival (this is a great place for older kids to volunteer too). A child can take home a book for each bean bag thrown through a giant 12" hole. The game is extra exciting when there are popular books available at many reading levels.

- +Popular titles, like Elephant & Piggy, Magic Schoolbus, Magic Treehouse, etc.
- +Graphic novels for grades 1-5
- +Books about Animals
- +Spanish language books

**Before April 30**, please bring books in good condition during business hours to [Smallfry](#) or [Bolt Fabric Boutique](#)

## Do You Care About School Funding? Let's Raise Our Voices!

While the legislature is making progress on the plan to generate an additional \$2B per biennium for education funding, the end of the legislative session is just 2 months away and there is still a ways to go on this. There are also many who believe that we need \$4B or more per biennium to make the kind of change that will transform education across the state and that after decades of tax disparity in our state it is time for corporations to pay their fair share; that we can not continue to allow corporations to derail investments in our public services and profit at the expense of our students. As parents of students it is important that we raise our voices and call on our state lawmakers to take BOLD action and adequately fund our public education system NOW.

Here are a couple of ways to make your voice heard:

1. **Call or write your legislators today and ask them to BE BOLD!** We need the Oregon legislature to BE BOLD and enact the revenue reform that will enable fully funding our schools. **Not sure who your elected legislators are?** Visit the [state website](#) where you can enter your street address to determine who represents your family in the Oregon legislature.
2. **Mark your calendar and plan to join the [Day of Action](#) on May 8.** As you heard from PPS, there will be **no school on May 8**. We encourage you to get involved to support educators and families from across the state as we call on the legislature to fix the funding shortage in our schools. Stay tuned for more details!

### Want to Know What the School Board Plans to Do?

Learn first-hand about the school board candidates and hear how they plan to work to support student success in PPS. And don't forget to vote in the special election on May 21st!
