## **YEARBOOK INFORMATION!!**

Attention 8th grade parents if you are interested in submitting a baby ad, you have until February 15th to do this. **TIME IS RUNNING OUT!** It has become more and more of a tradition here at Beaumont with each year more and more ads, so don't delay, submit today. I will not be able to extend the deadline this year. Here's what I'll need:  
Baby Ad Process

1. Find an adorable photo of your 8th grader as a baby / toddler.
2. Get the photo to Ms. Bennett; either hard copy via her mailbox in the Beaumont office OR email as an attachment: [BeaumontsYearbook@gmail.com](mailto:BeaumontsYearbook@gmail.com)
3. Include a message on the back of the photo or in the body of the email. Maximum of 3 simple sentences, better if it's less than 2. (20 words is too much, it ends up covering the photo of your adorable baby.)
4. Pay for the ad \$15. I prefer the payment to be made through Schoolpay.com OR noted on the bottom of my Yearbook order forms found in the front office. Simply write "purchased baby ad" on the "white space" at the bottom, this is also a great place to submit your message if you're not doing digital. (School pay IS SET UP FOR BABY ADS!) I don't count the ad as purchased until the money is documented.
5. If hardcopy please include a phone number to contact you so that you can pick up the photo.

6. Please note that I work on the ads in February and will be in contact with you about details, if needed, at that time.

Our award winning Yearbooks are on sale for \$22. I'm fully supporting the school pay method. Please go onto your school pay account and purchase a yearbook that way, you'll be able to view your payment.

If you would rather submit a form from the front office to Ms. Bennett's box, that's a great process as well or have your student give it to Ms. Bennett (room 213).

Please note that if your student has a yearbook purchased by Feb. 28, I do everything within my power to guarantee a photo in the book, beyond the traditional school photo. So purchasing early is a bonus. Yearbook prices increase will be increasing as the year goes on!

The poster features a large stylized 'G' logo with a sunburst effect in the center, surrounded by a circular pattern of small stars. Below the logo, the text reads: **GRANT HIGH SCHOOL CURRICULUM NIGHT WEDNESDAY - FEBRUARY 7, 2018 6:00-8:00PM**. The main body of text invites students to join an informative evening to learn about graduation requirements, course offerings, and elective classes like digital media, dance, computer programming, marketing, and graphic design. It also mentions world languages, performing arts, visual arts, and CTE programs. A blue sidebar on the right contains the following text: **Learn about Classes & Programs for the 2018-19 School year**, **Talk to Teachers**, **Talk with Counselors**, **Register for Classes!**, and **We have the information you need all in one place!**. At the bottom of the sidebar, it lists **GRANT HIGH SCHOOL** at Marshall Campus, 3905 SE 91st Street, Portland, OR 97266, with phone number 503-916-5160 and website grant.pps.net.

### **Howard Hiton is offering Parenting Classes this Spring**

I am writing to let you know about two exciting workshops I will be leading this spring.

Ten years ago, along with Peter Mortola and Stephen Grant, I co-authored the BAM! Guide to Leading Strengths Based Groups for Boys. The work we began then has never been more important. Recently we have become all too familiar with demonstrations of unhealthy masculinity: sexual abuse, harassment, supremacy movements, and bullying of anyone who dares step outside the "gender box" of manliness. Where are the models of the range of healthy masculinities? Given all the examples of how boys should not act, how can they act? Please join us for a full day conversation entitled Promoting Healthy Masculinities: A Workshop for Parents and Professionals on March 10 at the McMenamins Kennedy School!

Then, on April 21, I will be offering my annual workshop, Parenting Teens: Keeping Perspective and Staying Connected. Parents of children between 10 and 18 years old can expect a lively day of information and conversation. We will explore the larger concepts of adolescent development and get down to practical strategies to help parents keep perspective, maintain calm, and stay connected to their teens.

You can find out more about these and other workshops at [www.HitonAssociates.net](http://www.HitonAssociates.net) and [www.BamGroups.com](http://www.BamGroups.com)
