SUN Spots:

Last Day for all Extended Day programming is next Thursday June 1nd. Please let your student know.

It's with mixed emotions I'm writing to let you know June 2nd is my last day here at Beaumont SUN, as I've decided to retire from the City of Portland Park & Recreation. It has been a pleasure and an honor to work with all the Beaumont Students, Families, BMS Staff, Community Partners, and Countless Friends these last 10 years. You all have made the job not only fun, but rewarding. BMS Students, keep up the good work in your studies and extra activities!

Your new Site Manager will be here June 26th. Please drop by and introduce yourself. You are going to like Him.

Good luck in the future and God bless you all. Thank You! SUN School Sue.

[meeting will be Thursday June 1st, 6:30pm in the office.](#) Please attend if you are able. If you would like to be on the email contact list for future meetings and sign ups to help out. Please send your email to tstacy_c_cook@comcast.net.

We are also planning a Raffle as part of our 8th grade promotion party, we'd like to do a raffle for the kids, handing out gifts, gift cards, etc. Please contact Laura Hancock at laura.hancock@comcast.net or [503-799-2136](tel:503-799-2136) (text or call) if you are able to donate anything at all: any gift cards, (any amount is fine, \$5.00, \$10.00, whatever you can contribute) or maybe a new gift that you would like to donate. We are hoping to gather the donations as soon as possible so we can take an inventory of what we have and how to manage the drawings. I am happy to pick them up, just give me a call/text/email, or you can send to the school office with your student. Also, the Raffle Committee needs one more volunteer to manage the distribution of raffle tickets to the 8th graders. Please contact Laura if you can help. Thank you!

Beaumont 7th-Grade families:

Your student is invited on the 2018 East Coast Trip! Please come to an information session on Tuesday, June 6 at 6:00 pm in the Beaumont library.

The tour is arranged by Educational Travel Services, and is designed for middle school students. East Coast Trip destinations include New York City, Philadelphia, Gettysburg, and Washington D.C. This trip will give kids a close-up look at our nation's history and heritage. 8th Grade Social Studies includes U.S. History, so this trip will give students a chance to experience places and people they learned about during the school year.

I will be one of the trip leaders for 2018, so please contact me at vturner@pps.net if you have further questions. I hope to see you on June 6!
