## PTA Statement on Black Lives Matter

The overall purpose of the Beaumont Parent Teacher Association (PTA) is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children. As an organization, we recognize that we can always do better. We need to listen and learn, we need to speak up and advocate, and we need to be part of that change.

As we do this, Beaumont PTA pledges to be accountable for contributing to a community where Black Lives, Black Hopes, Black Dreams, Black Education, and Black Opportunities -- Matter. We firmly stand against inequities, violence, and racism. We stand in solidarity with Black Lives Matter.

As we go into the summer, the Beaumont PTA will be reaching out to Black, Indigenous and Communities of Color (BIPOC) and Latinx community members, Beaumont parent and student groups, Beaumont administration and staff, Rigler and Alameda PTA leadership, community organizations and others. We are actively listening and learning.

Our Beaumont community holds a tremendous amount of power and influence to address our past shortcomings, to more equitably serve the students at both Beaumont Middle School and within Portland Public Schools. We seek to uplift

Black and Brown voices at Beaumont. As we begin these small and community conversations, we will be asking these two initial questions: 1) how are we embracing Black, Indigenous and Communities of Color (BIPOC) and Latinx students and families here at Beaumont; and 2) how are we leading with racial justice in our support of Beaumont and in the larger school district.

In Solidarity,

[Marty Stockton](#)

Incoming Beaumont PTA President

## Summer Reading Challenge from BMS Library

This summer the Beaumont Library would like to challenge the Beaumont Community to [read books about Black Lives](#) and the global movement to bring about police reform and racial justice following the murder of George Floyd. These books may reflect your experience as a person of color. They may give you insight into perspectives other than your own. They may challenge you to consider the privilege you have in this world. I hope these books inspire you to become a change-maker. While not comprehensive, I've chosen a few of my favorite titles to get you started.

## The 2020-21 School Year

You may not be thinking about the next school year quite yet but the State of Oregon and PPS are trying to determine [the best options](#) for students attending school in the fall. Currently, we have no way of knowing what the 2020-21 school year will look like but PPS is asking parents for their thoughts on the best schedule for learning. Please [click here](#) to take the PPS family survey regarding various possible fall scenarios. The survey should take 5-10 minutes to complete. PPS will use this information to guide their decision making for the coming school year.

Beaumont Middle School staff would also like to learn about your student's experience with Distance Learning at Beaumont the past few months to

help inform their decisions for the next school year.  
Please take a few minutes to fill out [this survey](#)

## You Can Help Support Beaumont Students This Summer

### We Are Community - We Are Here for Each Other

Rigler teachers and parents have been collaborating since the COVID-19 pandemic began to make sure basic needs are met for the hardest hit families. If you have time to donate on Thursday mornings, our neighbors at Rigler still need volunteers to help with their food box distribution table. If you can volunteer any Thursday 10:45am- 1pm in the next 2 months, we welcome you. To those of you who have volunteered, your efforts are so appreciated. Here's how you can help:

- **Think of us when you do your shopping.** Bring regular donations of staples to Mr. White's house (5508 NE Alberta) before 10 am Thursday

each week. [Check here for needed items.](#)

- [Sign up for Friday food delivery.](#) We need 5 - 6 volunteers every week. Volunteers will need their own vehicles & masks. Time is somewhat flexible, but ideally the late mornings, for one to two hours.
- [Donate](#) to our GoFundMe campaign.

Contact [Emily Giugni](#), Padres Unidos/Rigler PTA president, with questions or if you need more information.

### **Cans and Bottles for Beaumont!**

Collect your beverage bottles and cans and drop them off at a participating grocery [store](#) [Bottle Drop location](#) or at a [BottleDrop Redemption Center](#) all summer long. The proceeds will be donated directly to the Beaumont PTA. This program has raised over \$2,000 for Beaumont students, staff and programs over the past school year! Thank you for donating your bottle and can deposits to Beaumont - it really adds up!

*If you need a roll or just a few blue bags, contact [Marty](#) to make arrangements for delivery or pick-up.*

## Yearbook News!

We are expecting the Yearbook to be shipped AFTER school is out for the summer. The Yearbook staff had completed it prior to the deadline, but due to COVID-19 the plant where it was printed was closed, per governor's orders. Please check back for updates on distribution, especially if you will be attending a different school next year, i.e. ALL 8th graders. We are currently planning on distributing the Yearbook when we return to school to the current 6th and 7th graders.

If you are interested in purchasing a yearbook, please do so using [schoolpay.com](http://schoolpay.com). Thanks for your support!
