Student Meal Accounts and Applications

The Beaumont cafeteria staff would like to let parents know about some changes to meal accounts this year. There is a new website to add money to your student's account at www.schoolcafe.com. It's a great new site where you can not only manage their account via a phone app, but you can also view the school menu with nutrition information, and apply for meal benefits. You can find more information at the [Nutrition Serviceswebpage](#).

Apply for meal benefits early this year!
The deadline is Wednesday, October 11,
but the sooner you apply the faster your
application will go through and then
your student will be set for the school
year. You can pick up an application at
the school office, the cafeteria, or even
faster, you can [apply online](#) also on the
nutrition services webpage.

If you have any questions about food
service at Beaumont, please contact
Diane starting August 29 at [503-916-
