A PTA PUBLICATION

## **Grant High School PTA** **Tuesday, December 13. 7:00PM** **Grant High School Library**

[We would like to invite all families with students who will be attending Grant for the 2017/2018 school year to join us for our December PTA meeting.](#) The Grant PTA will be hosting Franklin High School's PTSA for a discussion about their experience at Marshall campus, what we can expect with our transition to that campus and the two years Grant High School community will be at the Marshall campus. Franklin has offered to discuss what their experience has been, what has and has not worked for their community and possible issues we should plan for. This will be a time for us to discuss concerns and possible solutions involved with moving our community to the Marshall Campus.

## Nurse's Notes:

**From Jennifer, RN:**

**Important tip from the nurse regarding immunization records.** If you ask your doctor to print you a record from the state ALERT system, ask them to click the **school report tab** rather than clicking the **confidential report tab**. We only need page 1 of the school report tab. That report looks just like the school registration paperwork and saves you having to copy dates to the school form! Beaumont parents have been doing a good job of getting immunization records to the nurse. You can call the school office if you have questions.
