Looking For Leaders

Calling all 7th Grade Beaumont Bobcats!

Let's talk about WEB! What is WEB? WEB stands for Where Everybody Belongs and it is a middle school transition program that welcomes 6th graders and new students and makes them feel comfortable throughout their first year of their middle school experience.

We're looking for up to 40 of this year's 7th graders to welcome new and 6th

grade students next year and take a leadership role in school activities, mentoring, socials, and promoting a positive school climate. [WEB Leaders](#) show both traditional and non-traditional leadership skills - good communication skills, positive outlook, respect for diverse ideas and personalities, enthusiasm, responsibility in meeting obligations, and more.

WEB is a year long commitment with some responsibilities requiring additional time outside of school or class. If you have any questions, please reach out to Mrs. Goodwin at rgoodwin@pps.net.

If you are a current 7th grader and would like to be a part of WEB next year please complete this [WEB Application](#) no later than Friday, April 30th.

**You are Cordially NOT Invited to the
2021 Un-Auction: A No-Show**

Fundraiser for Beaumont Middle School

Even though we can't party like it's 2019, we can still make this non-event a success with your help!

Date: Now. Or Maybe in a little bit.

Place: Where. (The CDC recommends your own house.)

Attire: Whatever you want. Likely sweatpants?

Cost: A donation based on what you think you would have spent had this been an actual event (Think tickets + themed outfit + raffles + alcohol-fueled generous bidding)

Please Contribute to keep our school programming and educational staffing funded to help every Beaumont student stay engaged and supported. Your monthly or one-time donations are crucial to maintain Beaumont' small class sizes. Elective options, and educational specialists.

And because we'll give you absolutely nothing in exchange for your donations, it will be fully tax deductible!

COMMUNITY NEWS

Important Updates from Nutrition Services

Meal access is critical for many of our families and we are working to ensure that meal access continues for all students, whether or not they return to school for hybrid in-person instruction or if they remain in distance learning. All school meals will continue to be free for all students in all schools, and no student ID or names are needed to receive meals.

Once a student returns to hybrid in-person instruction, meals will be served at their school at the end of each of their in-person sessions.

If a student is staying in distance learning -- or if their hybrid in-person learning has not begun -- they should visit any of our **new meal distribution sites** between 3:30 and 4:30

p.m. on school days to pick up meals. The list of meal distribution sites is below. However, students in distance learning will also have the option to pick up meals from their school. Families should contact their student's school to find the schedule for meal distribution.

New Meal Distribution Sites

For the remainder of the year, grab-and-go meals will be available between 3:30 and 4:30 p.m. on school days for all children in the community (PPS students and children not enrolled at PPS) ages 1-18.

The sites for curbside distribution:

- Beaumont Middle School, 4043 NE Fremont St.
- Franklin High School, 5405 SE Woodward St.
- George Middle School, 10000 N Burr Ave.
- Harriet Tubman Middle School, 2231 N Flint Ave.
- Hosford Middle School, 2303 SE 28th Pl.
- Ida B. Wells High School, 1151 SW Vermont St.
