

## **Need to pay for a missing library or textbook and don't want to pay the big money?**

Here are some ways you can get the book cheaper. Buy the book (must be in good condition and bring it to Jenifer in the library. I will use the new book to replace the missing book and CLEAR your record.

### **Library books**

Try any used book store in the city, or one of the following websites.

[www.amazon.com](http://www.amazon.com)

[www.powells.com](http://www.powells.com)

[www.ValoreBooks.com](http://www.ValoreBooks.com)

[www.Half.com](http://www.Half.com)

### **Textbooks**

To make sure you are getting the correct textbook edition you need to get the ISBN from Jenifer. The ISBN will be 10 or 13 numbers long and is usually located on the back cover of the textbook.

This is what the ISBN looks like.

Go to the site [www.isbn.nu](http://www.isbn.nu) type in the ISBN number and click search. The site will give you a list of other sites that have the book and can link you to that site so you can purchase the book.
