- January assessment window - MAP/DIBELS/EasyCBM
- Progress monitoring updates Example - 4-5 literacy
- Check in around blended math
- Check in around literacy and writing
- Parent - teacher conferences - Sign Up Genius vs. Paper Sign Up
- Spirit Week - December 10-14

Meeting Minutes:

The window for mid year assessments open in January - Hope to see growth in literacy as well as math

In February there will be a check in with the 2-5 math teachers on structure of math

There is a new writing curriculum this year, literacy curriculum will come next year - both will be Lucy Calkins

Professional development and support for all staff is happening at least once a month - staff meetings or paid PD time - good that the new adoptions are rolling out over 2 years

Questions - Can we share writing rubrics with parents - possible "Instructional" link on the Skyline web page. Then parents can be sent to look at those pages - Melissa to contact Ben Keefer and see how he has it set up.

Parent teacher conferences: Percentage of turn out - Good Turn out considering it was the week of Thanksgiving break yet no numbers to compare - Next meeting possibly having numbers?

Spirit Week - Students have filled up the bin and have earned a school wide spirit week - still finding the middle ground on the new Eagle system - K-5 and Middle School.

Concerns: State of Math at Skyline - Access to EngageNY and Zearn - possible to add to the INstruction link on the web page? Poll teachers to see what Apps they are using in the classrooms and what can be used at home.
