

## Learn About Black and White Photography, *Old School!*

This is a basic black and white photography club for the beginner student taught by daVinci parents Colin Sharp, Kristen Sharp & Jennifer Trail. We will explore the mechanical and creative process of photography. Emphasis will be on practical applications in the use of a manual 35mm camera, basic lens, shutter speed, measuring available light, film processing, and enlarging photographic prints!

**WHEN:** Mondays from 3:30-5pm for 10 sessions starting January 8<sup>th</sup>

**WHERE:** The da Vinci Darkroom

**COST\*:** There is a suggested donation of \$25 to join. This money helps pay for chemicals and paper which will be supplied. Students will be required to supply their own film.

The club is limited to **10** students. Students are required to submit a registration form and write a little about their interest in photography.

\* We strongly recommend acquiring your own SLR film camera. They are fairly inexpensive. Ask us for suggestions!
