

Bugs, Bugs lets give 3 cheers!

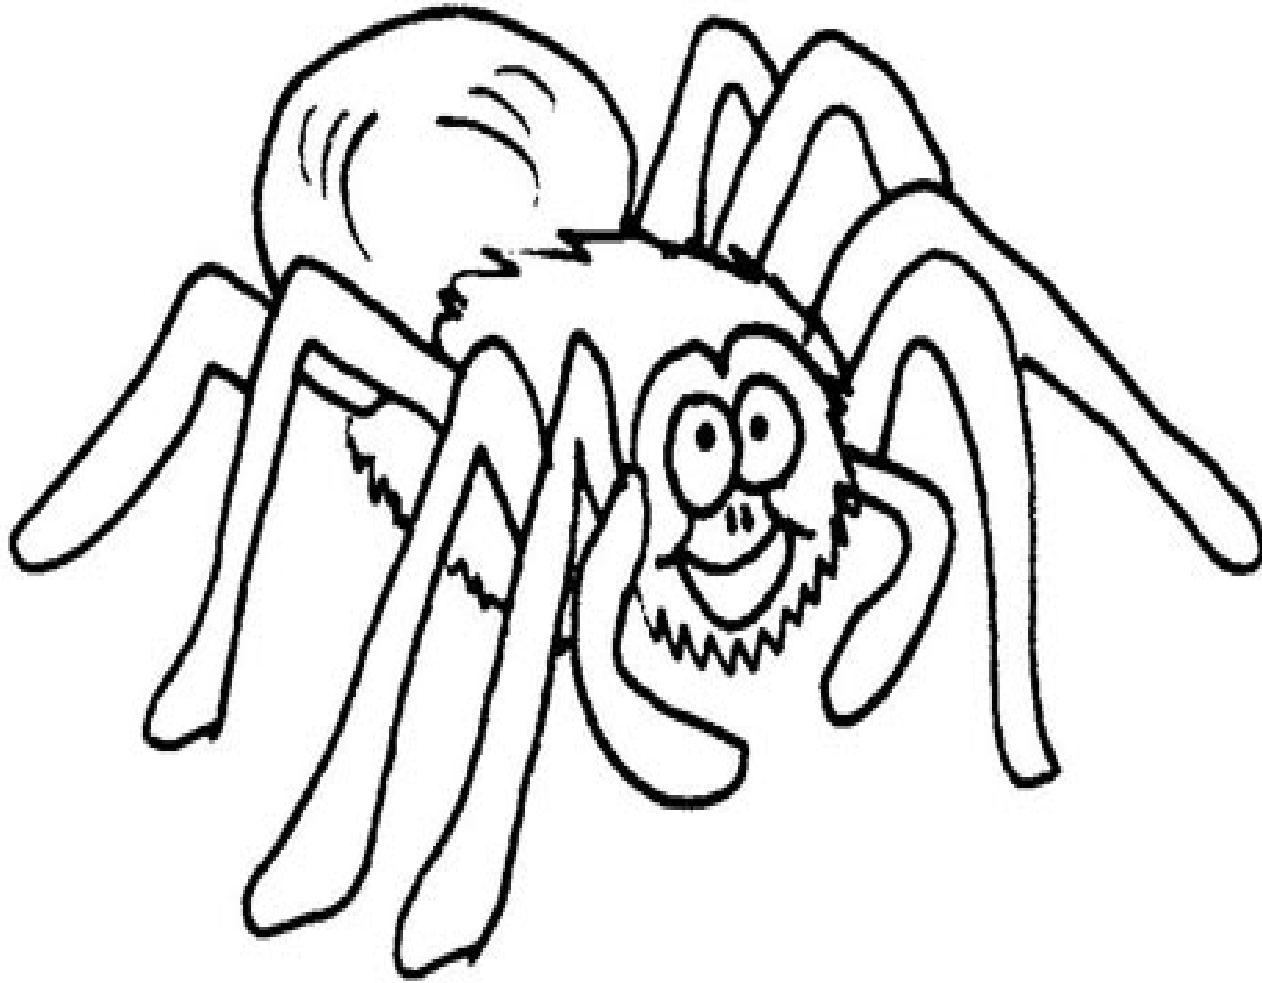

You have been around 300 million years

Mosquitos buzz when flying by your ears

Some have wings helping steer.

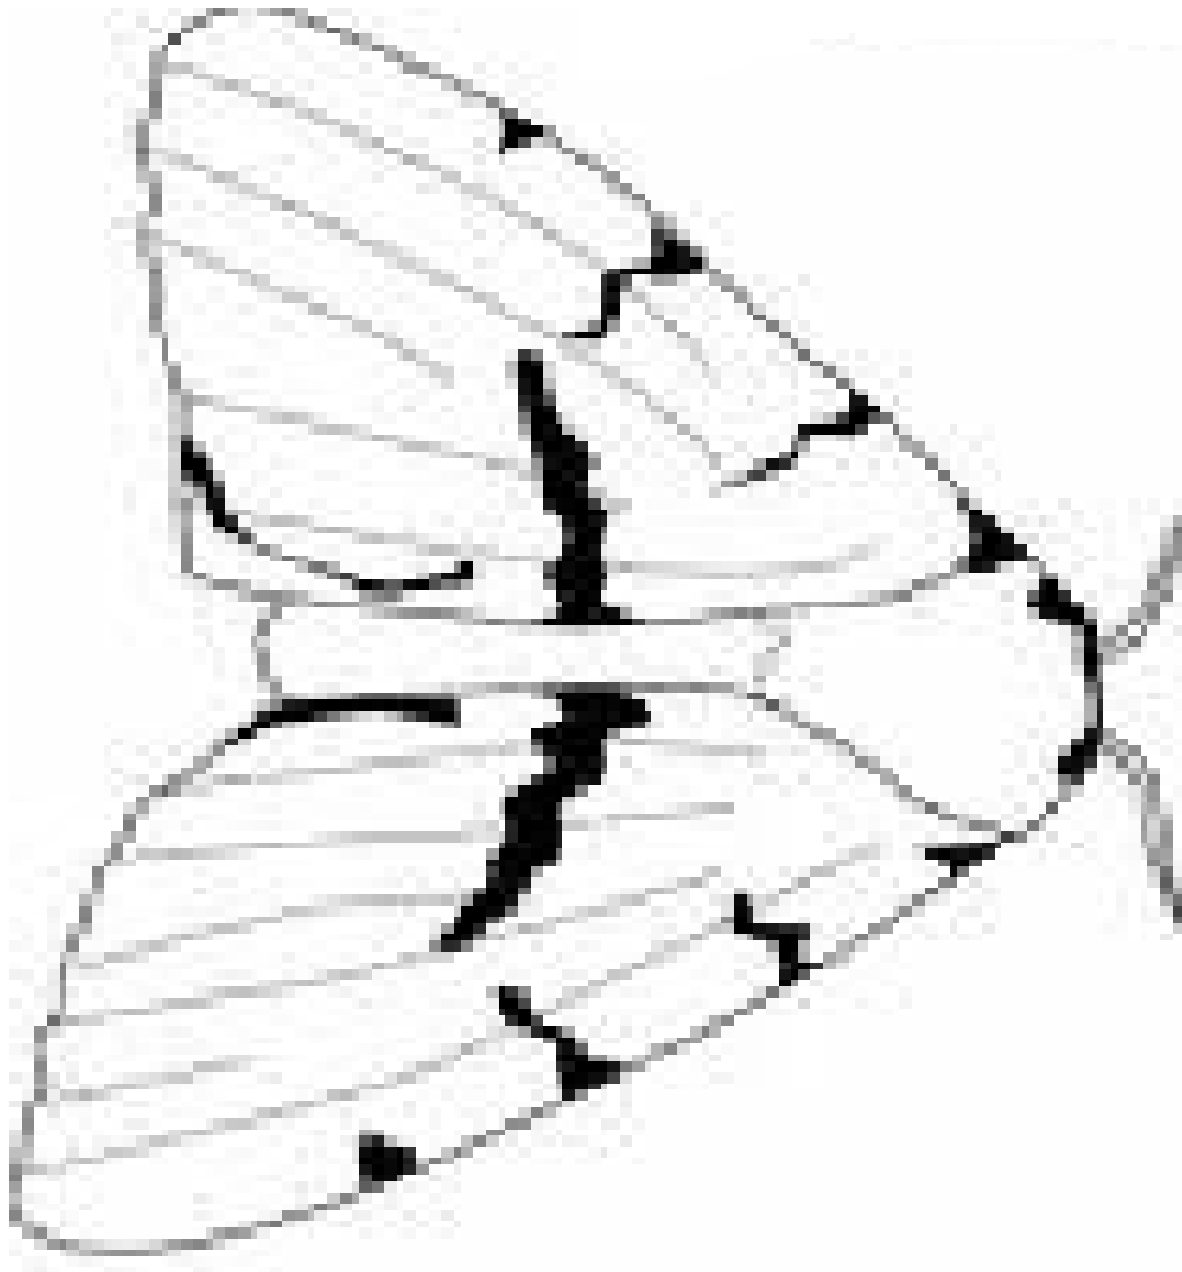

Spiders don't want you to fear.

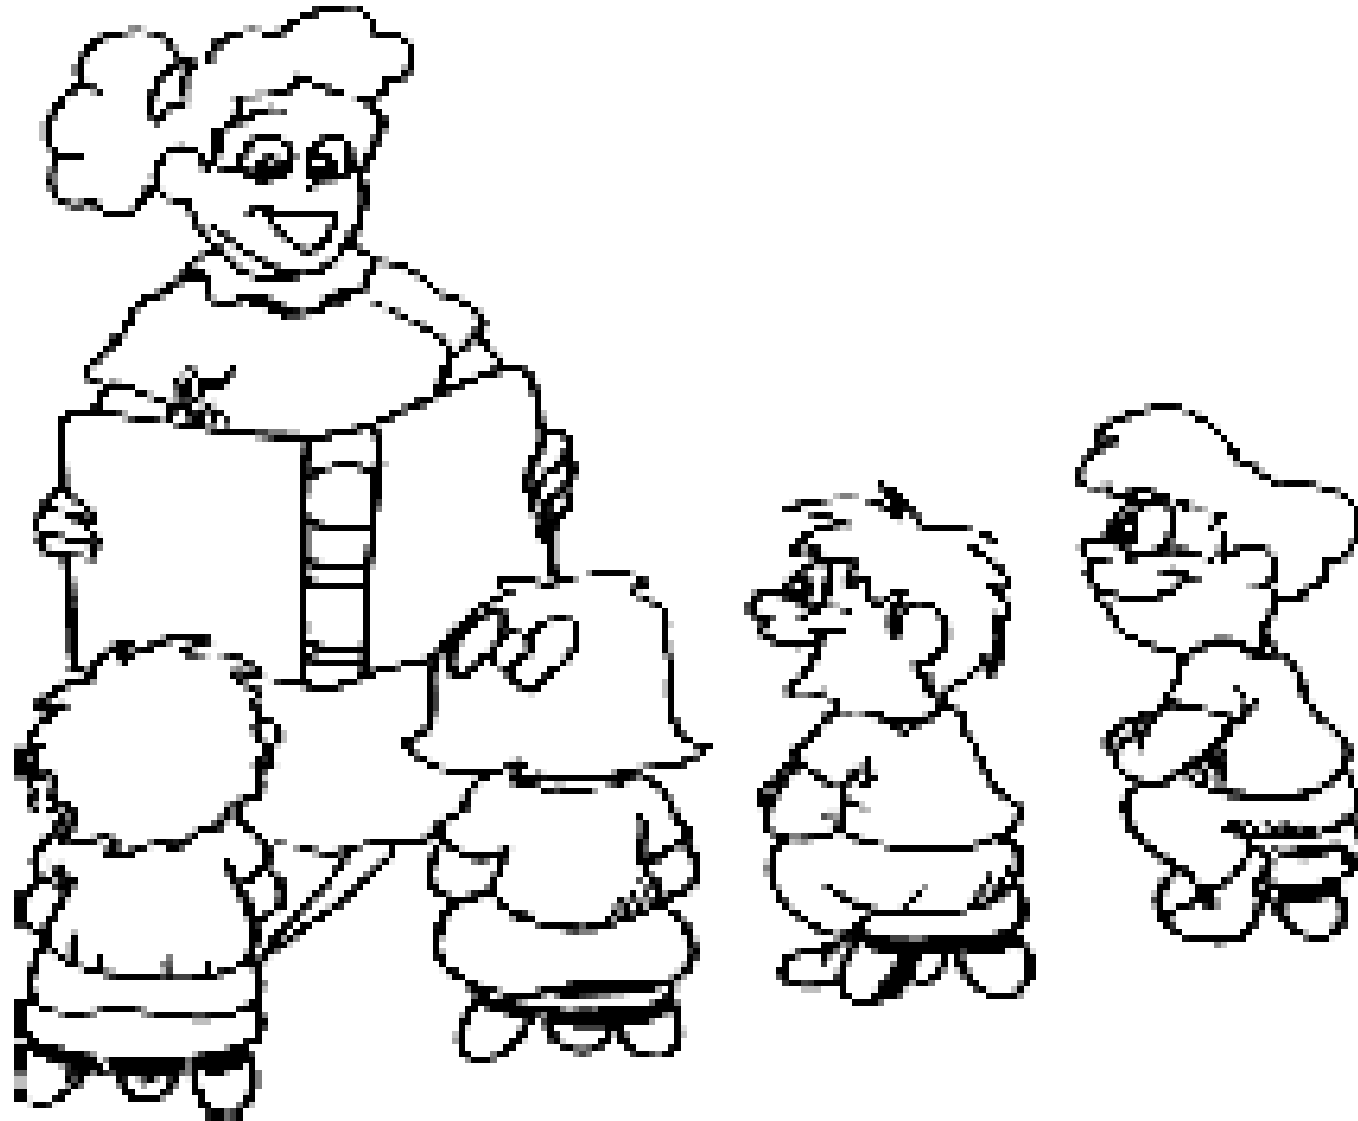

What do they have in the jar? Draw it!

Lets all be nice so they don't disappear

Hawk moths are the fastest bug flying in high gear

We can learn about bugs all school year!

Directions: Print out 1 copy of the whole book and 7 more of page 1. That page will be your Title Page and the page that goes in between every other page.
