

# I'm a Little Pumpkin

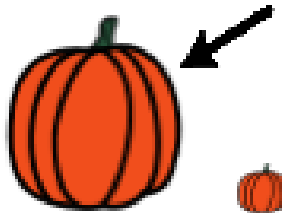

I'm an orange  
pumpkin

round

and fat

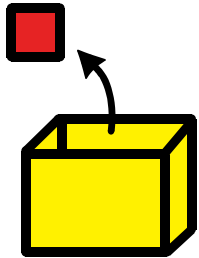

packed full of  
seeds

that you can  
scoop

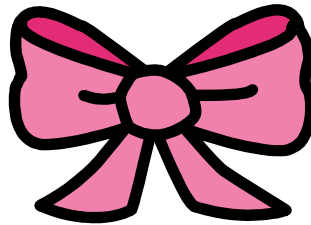

out

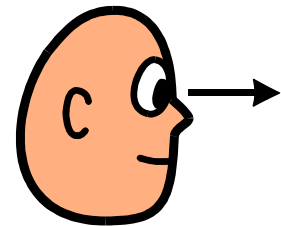

When I get  
all carved up

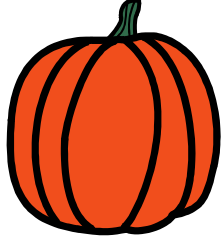

Than I'll be the  
cutest little

jack-o'-lantern You ever did see!

I'm an orange  
pumpkin

Lyrics:

Jack-o-lantern, jack-o-lantern

Halloween, halloween

See the owls flying

Big black cats are hiding

Ghosts go BOO!

Ghossts go BOO!
