

I'm a Little Sports Car

I'm a Little
Sports Car

<-- Song Icon

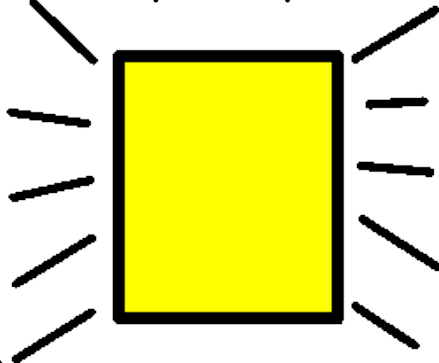

I'm a little sports car
shiny and yellow
When I go out driving
I'm a very happy fellow
When the rain comes down
I turn the wipers on
I love to splash in puddles
all around the town

Sung to: I'm a little teacup

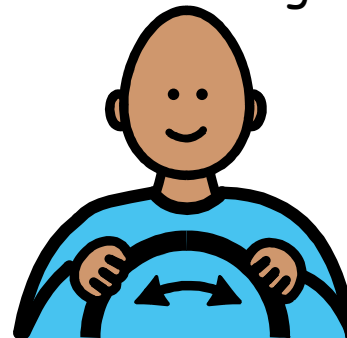

I'm a little
sports car

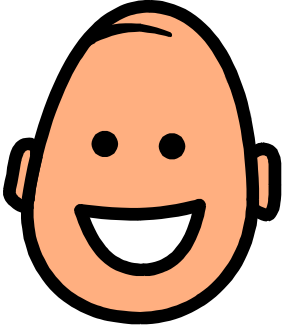

shiny and yellow

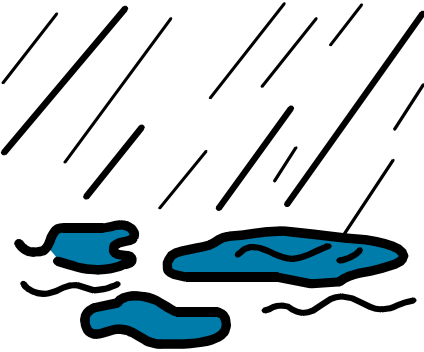

When I go
out driving

I'm a very
happy fellow

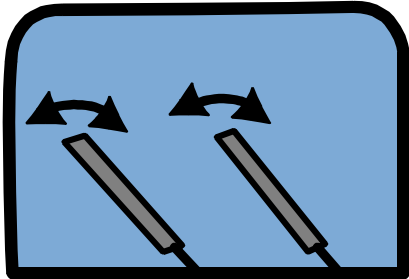

when the rain

comes down

I turn the
wipers on

It's fun to splash

through puddles

all around the town
