

we'll sail

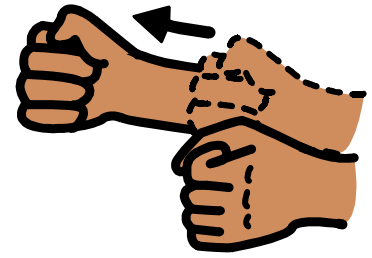

upon the 7 seas

Travel near

and far

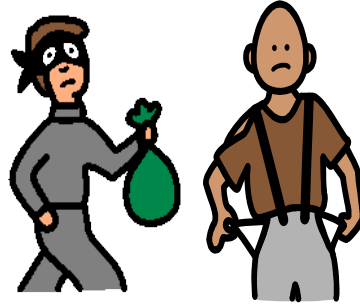

take from the

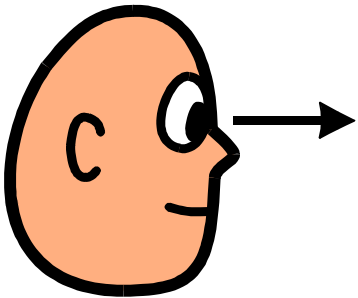

rich

and give to the poor

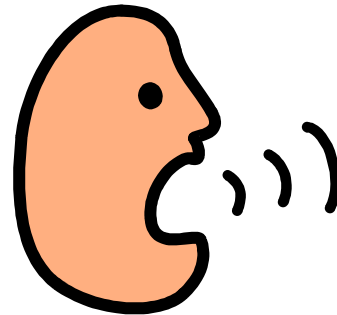

If we see

the Navy

we'll shout with pride

we are scary hairy pirates

and say har, har, har, har

'cause that's what pirates do!

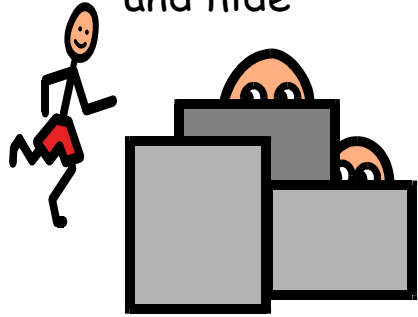

Pirate Song

We'll sail upon the 7 seas
and travel near and far
Take from the rich and give to the poor
and say har, har, har, har

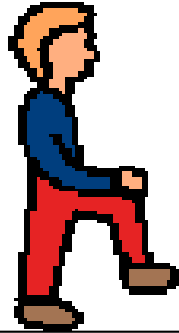

If we see the navy, we will shout with pride
we are scary hairy pirates
so you better run and hide
we'll stomp our feet upon the floor and our peg legs too
we'll take your stolen treasure

so you better run
and hide

we'll stomp our feet
upon the floor

and our peg legs too

we'll take your stolen
treasure
