

Student, student what do you see?

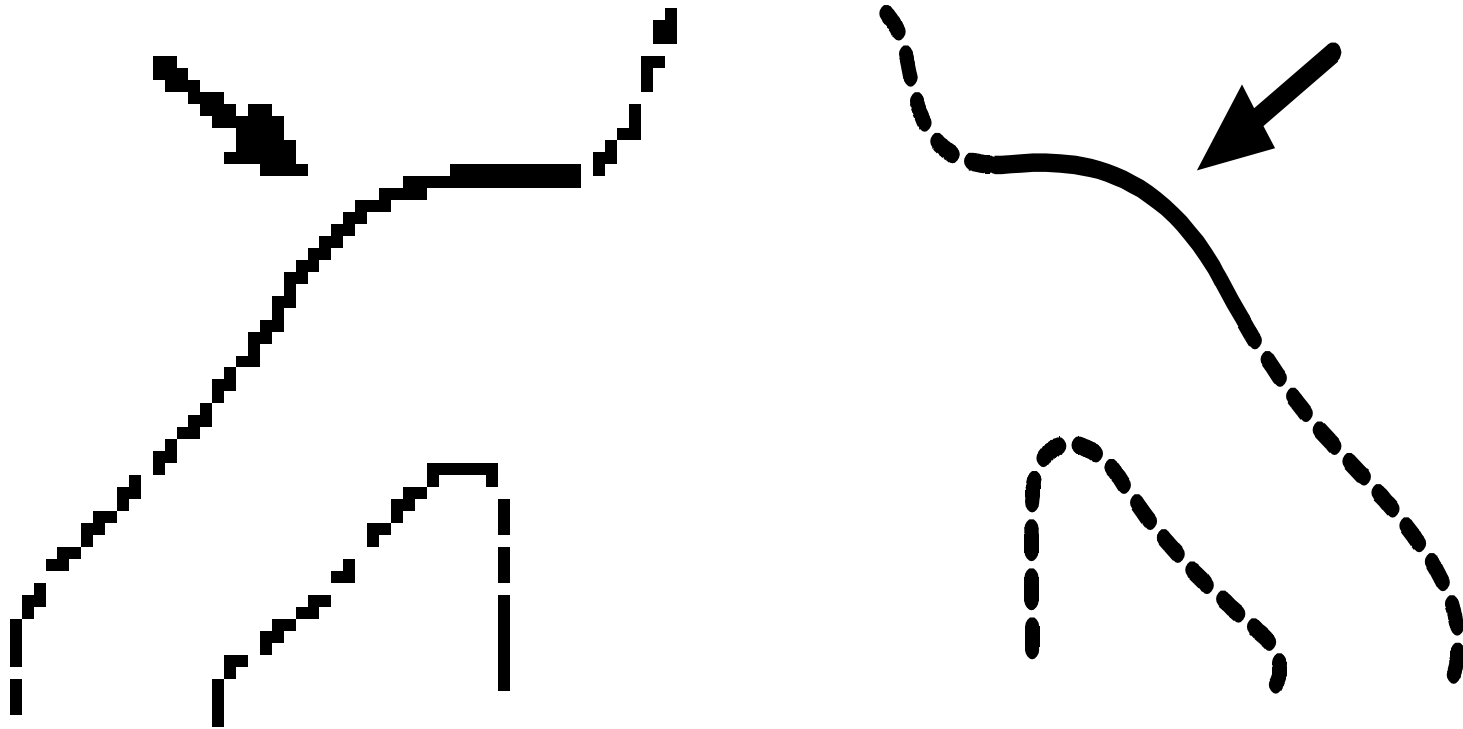

I see one head right in front of me.

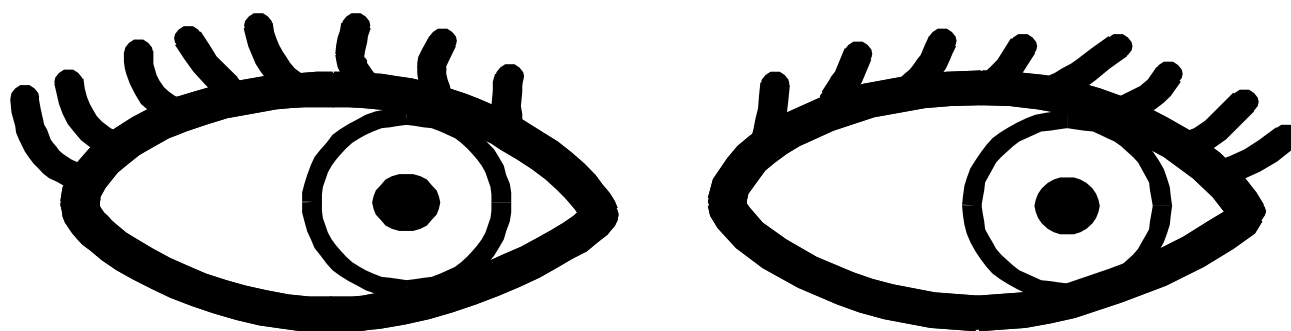

I see two feet walking in front of me

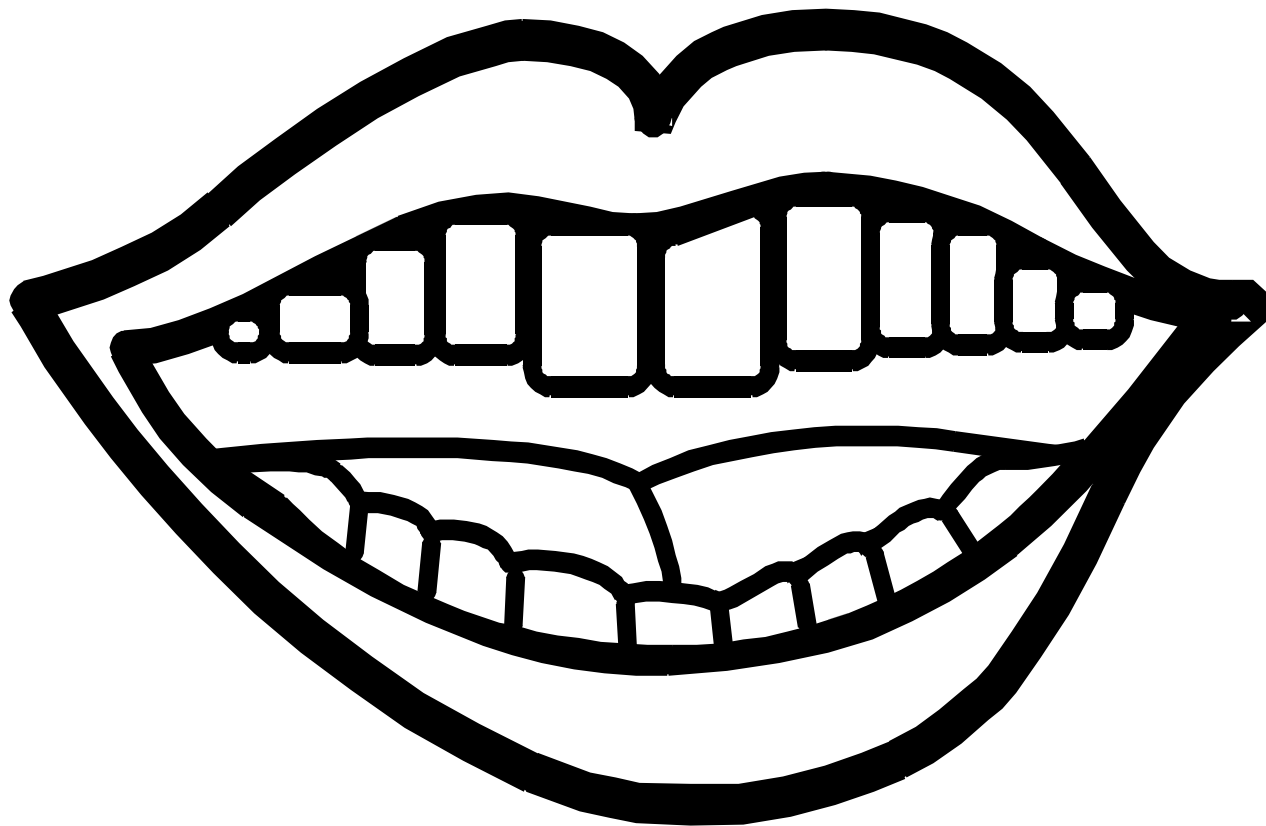

I see two hands waving in front of me.

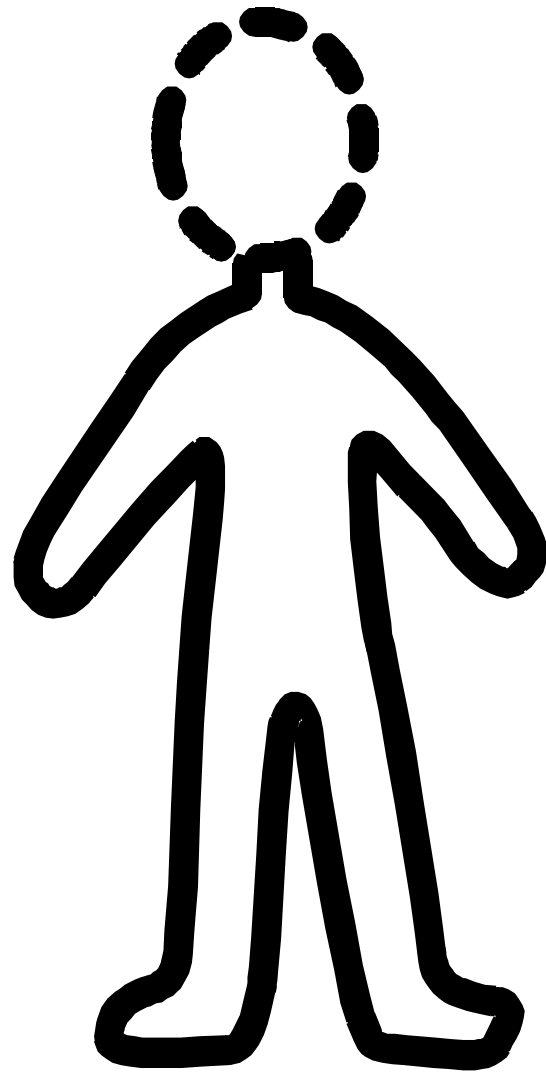

I see one shoulder shrugging at me.

I see two eyes looking at me.

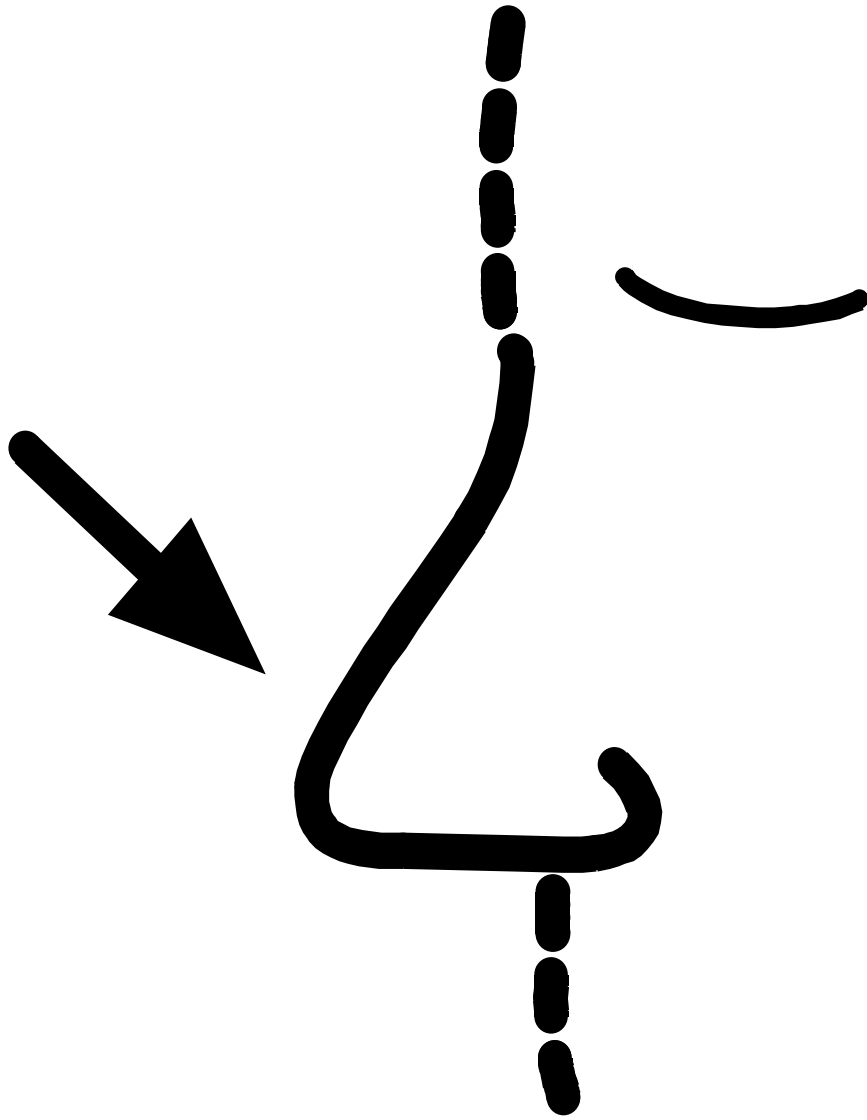

I see one mouth talking at me.

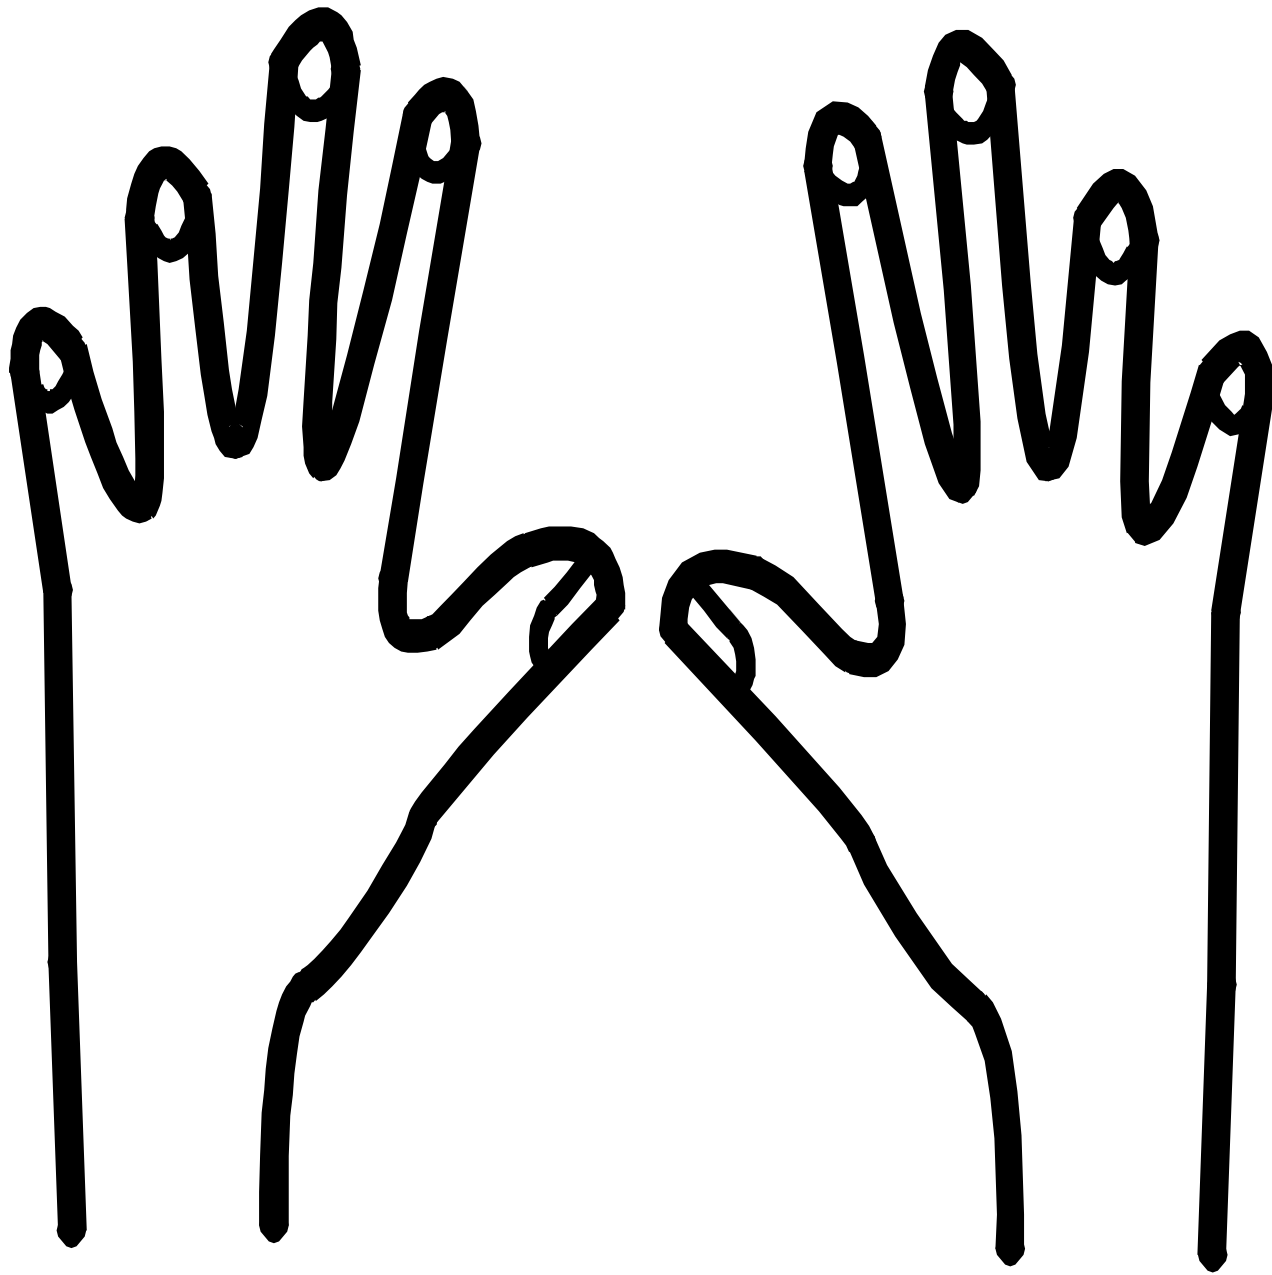

I see a beautiful body standing in front of me.

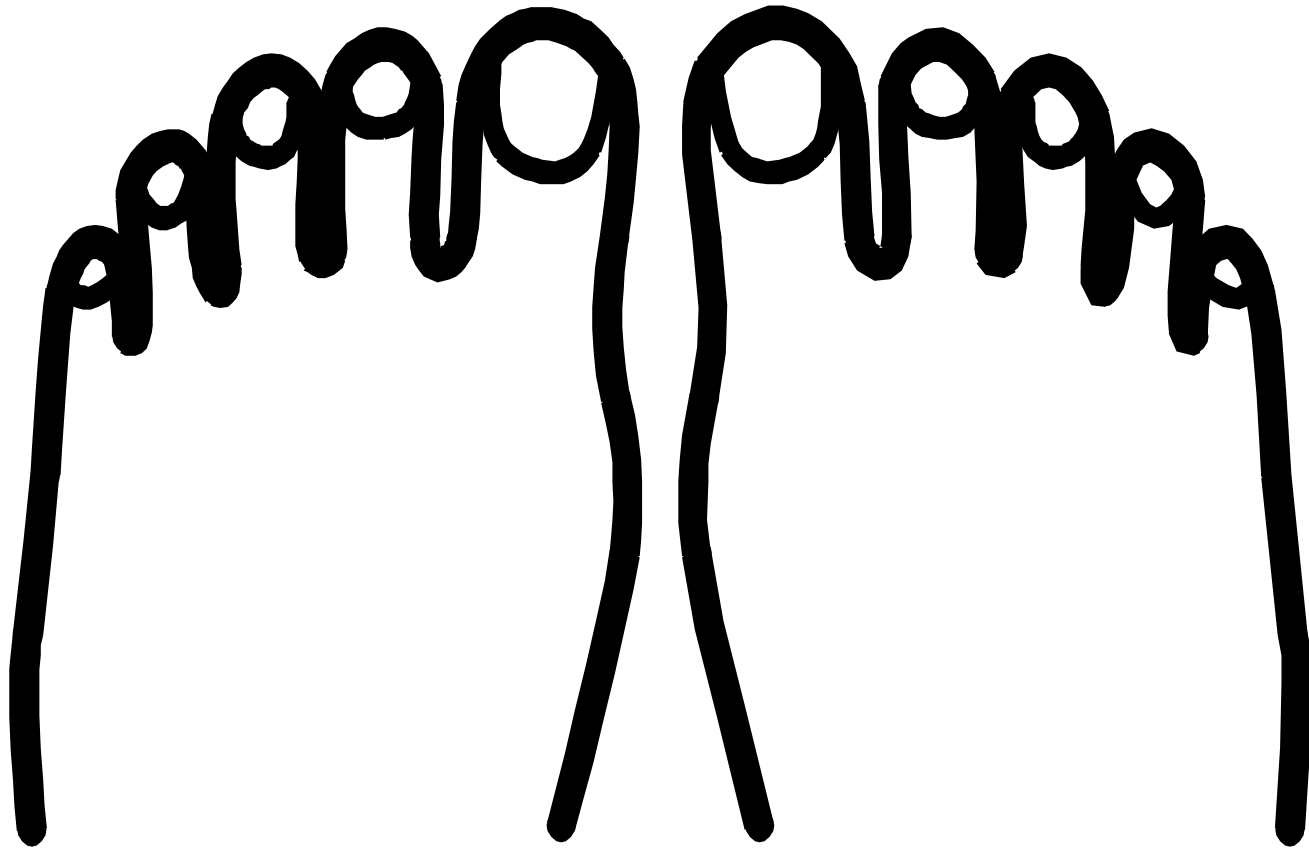

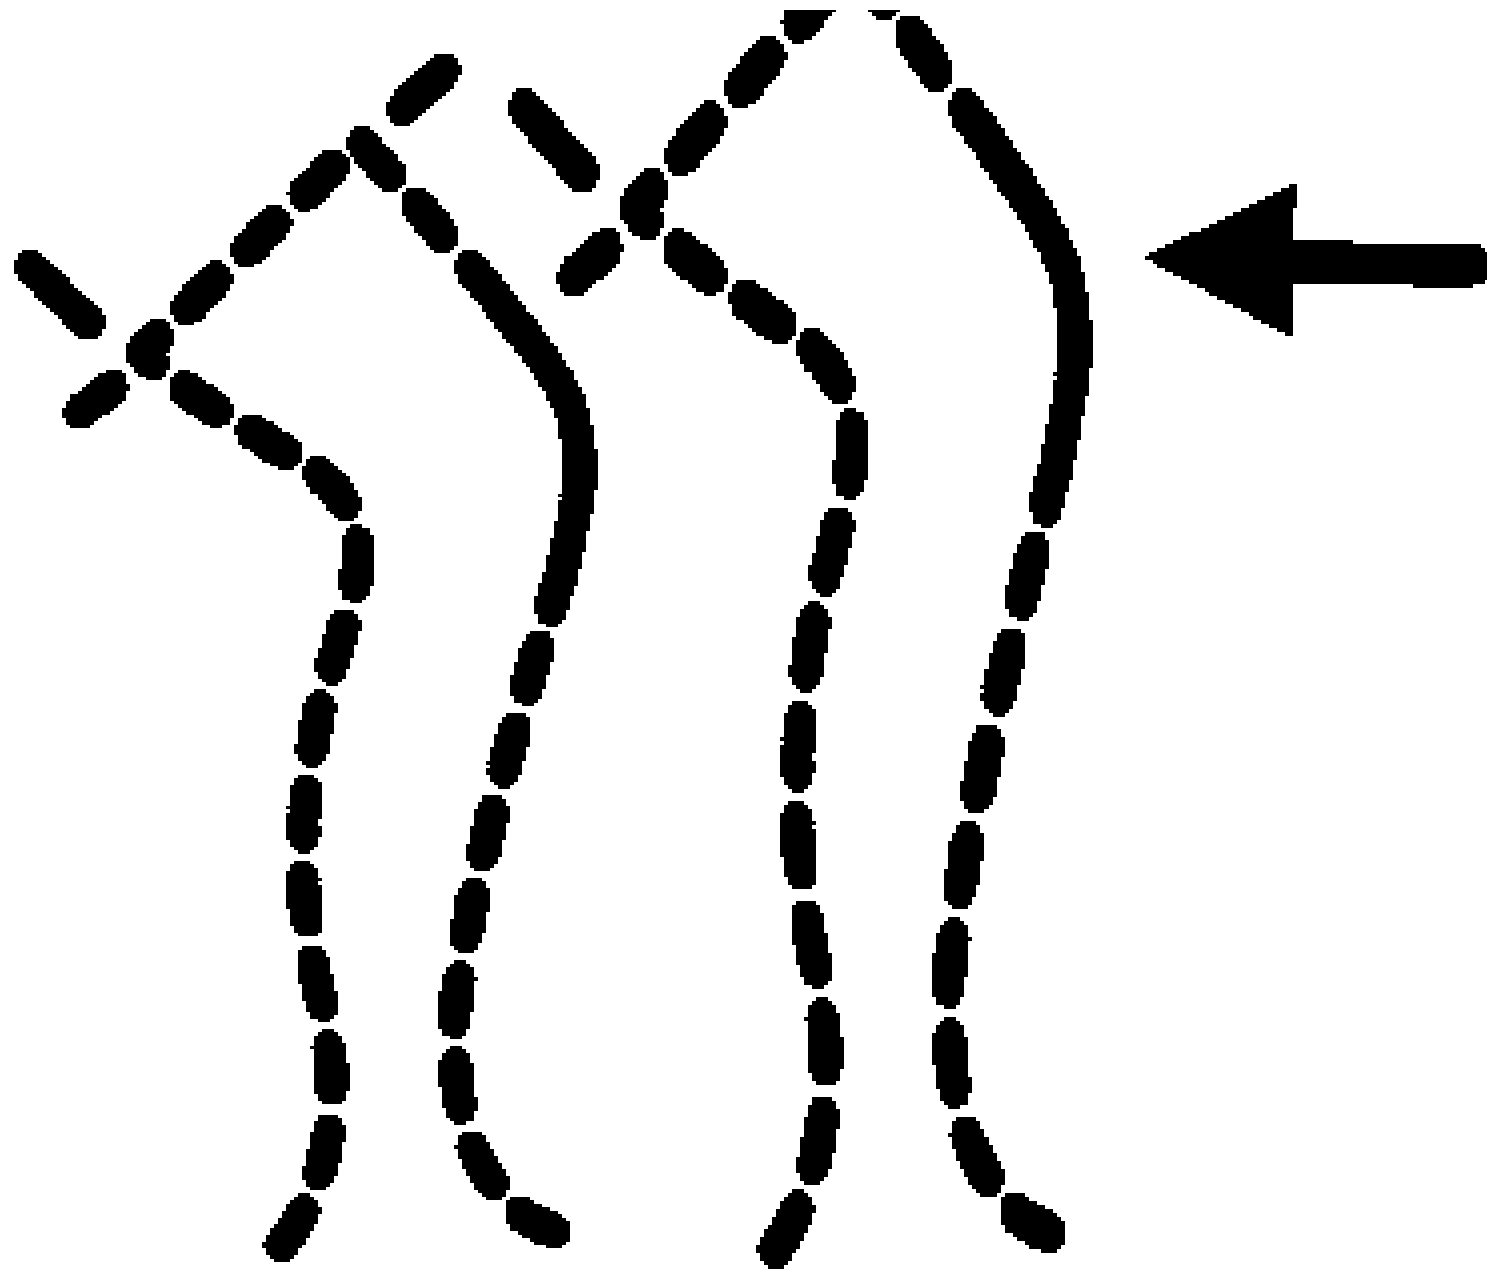

I see one nose smelling at me.

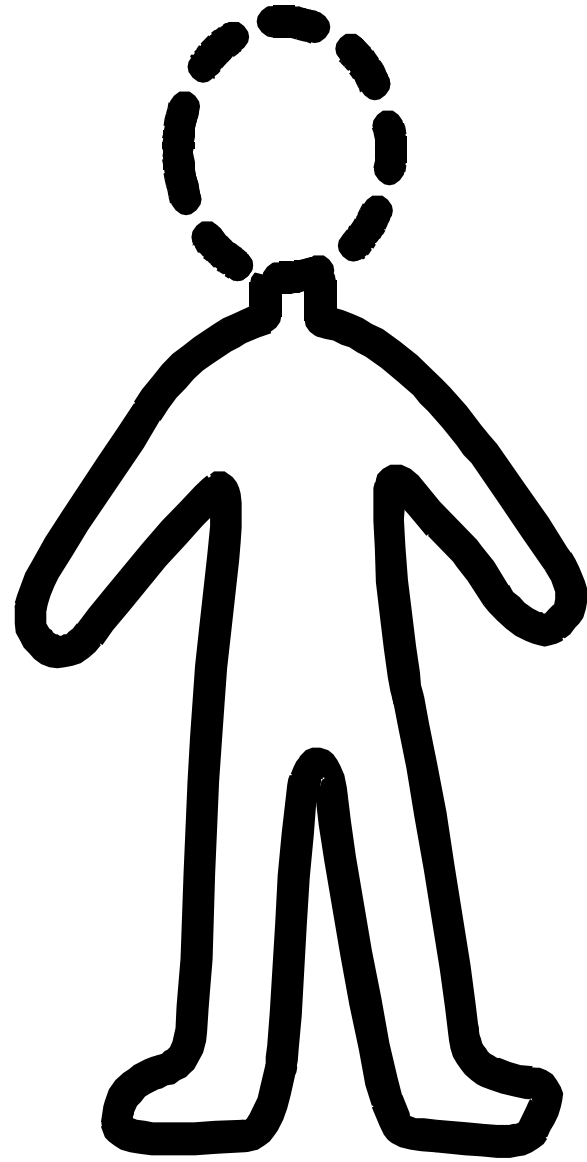

I see ten fingers pointing at me.

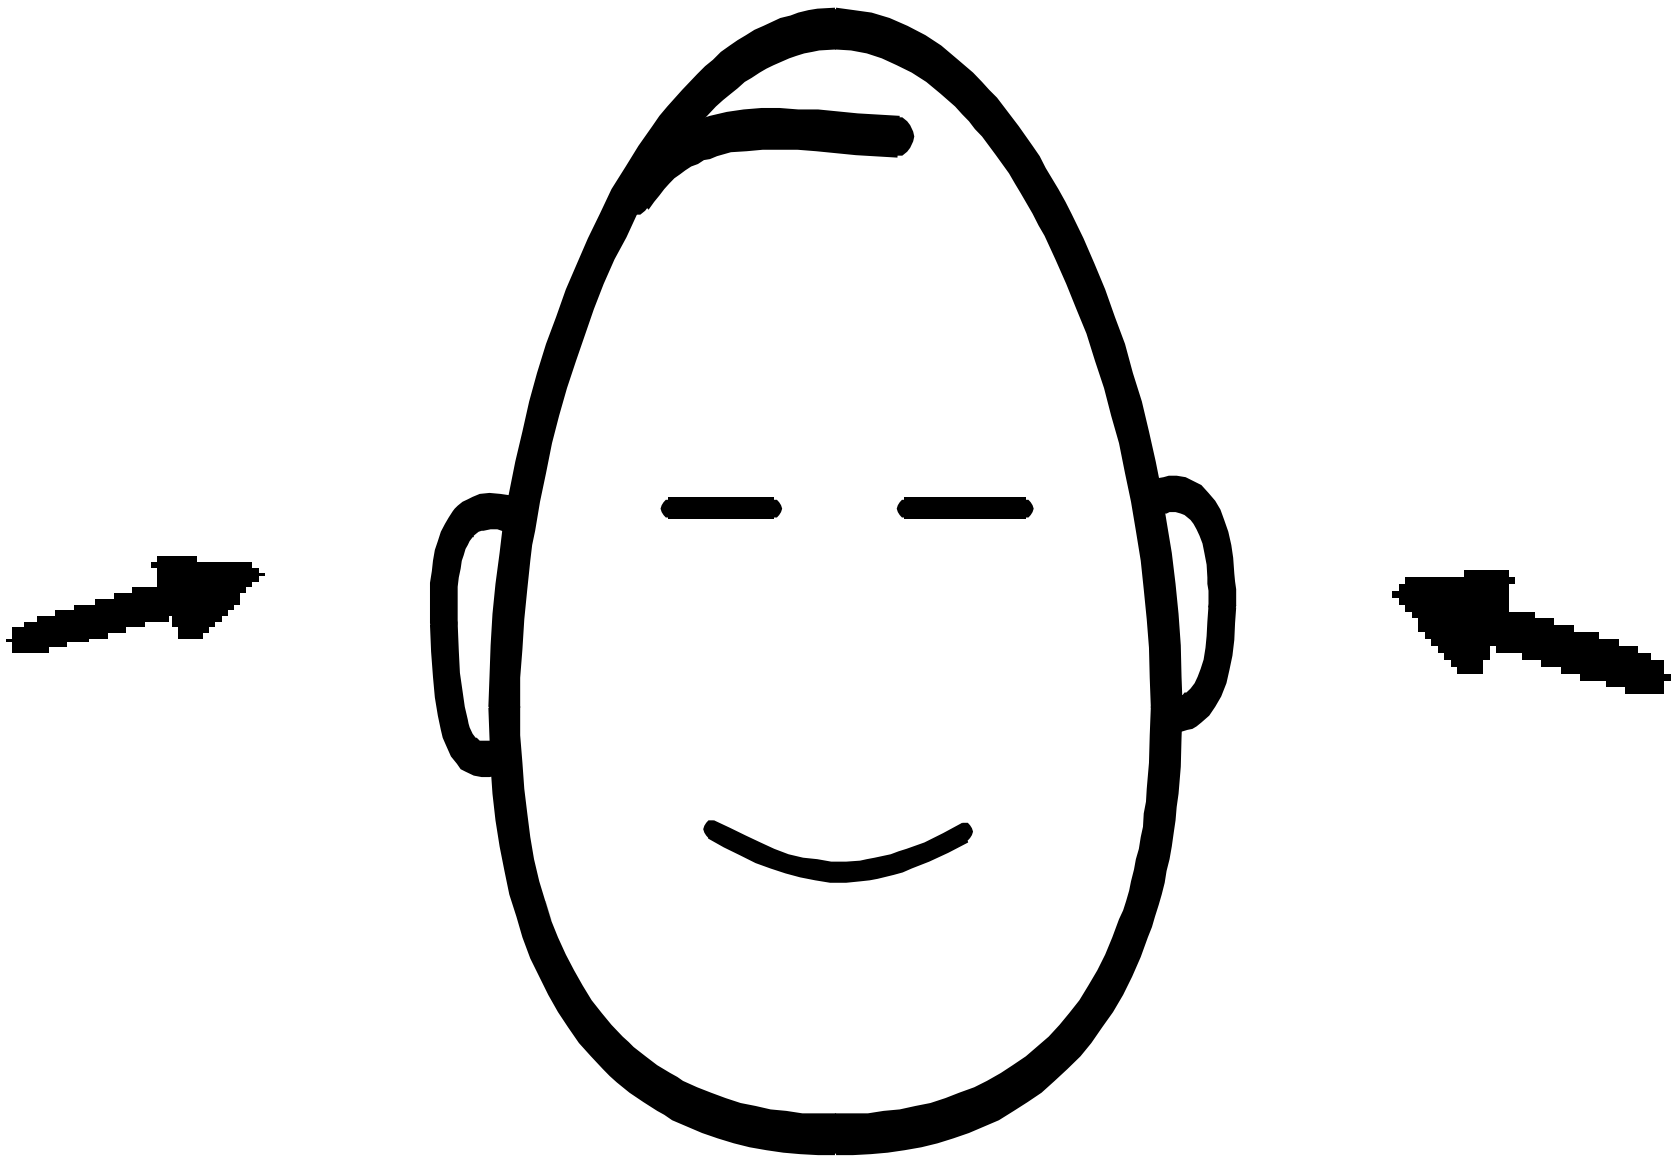

I see ten toes wiggling at me.

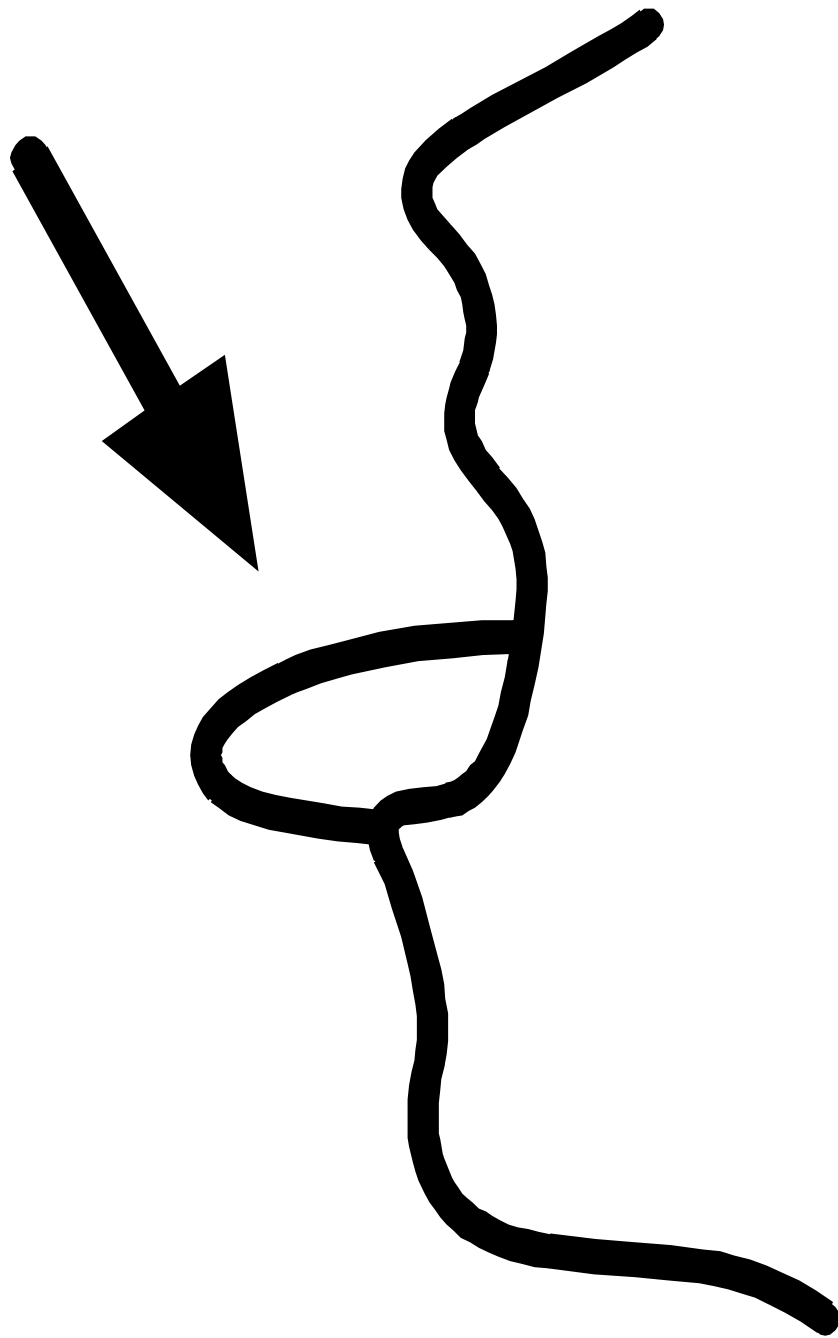

I see two knees bending by me.

I see two legs marching by me.

I see two ears hearing nearing me.

I see one tongue tasting near me.

Print 15 copies of the student page and one of each of the others. Make one the title page and the rest alternate.
