

Sellwood Principal's Newsletter – September 20, 2019

Greetings Sellwood Community,

I want to thank all of you for your continued support of our wonderful school. Several parents have volunteered to help out during lunch and recess duty, and we have enjoyed hanging out with all of you on the field for recess or in the cafeteria during lunch. It is always a great way to get to know parents better, and having more adult presence is so helpful with supervision.

Mil Gracias!

Jeandré Carbone
Sellwood MS Principal

Race Matters: A Community Dialogue held at Taborspace on SE Belmont.

5:30 to 8:00 PM

October 10th

November 19th

March 5th

Please join us to build skills and create a welcoming space for everyone to speak openly about the role of race in our and our children's lives. Now, more than ever, we need to be a community that recognizes that systemic racism affects each of us differently, depending on our racial identity; that sees, welcomes and responds to each of our children for who they are; and that celebrates the diversity of experiences and perspectives that each family brings.

Friendship Through Music!

La Marimba Princesa Atatupa De Asuncion Mita Jutiapa, Guatemala

Exchange Program with Sellwood Middle School

October 5th- 13th, 2019

A group of 12 young marimba students from Guatemala will travel to Portland, Oregon with their teachers and be placed with host families in the Sellwood community who speak Spanish. The group will attend Sellwood Middle School Monday, Tuesday, and Wednesday, rotating through three programs in the building: Spanish language exchange with Ronda Hall-Ramirez, marimba music exchange with Nathan Beck, and English language immersion through Andeo International Homestays. Thursday, Friday, and Saturday will be dedicated to performances in the community and at the COFLT (Confederation of Foreign Language Teachers) conference.

Sellwood Middle School students who are learning Spanish and/or marimba will have the opportunity to travel to Guatemala in June to bring the cultural exchange full circle!

If you would like to donate to make this exchange possible, please visit:

<https://www.mightycause.com/story/Sellwoodguatemala>

If you are interested in hosting students or chaperones from this group for the 8 days they are in Portland, please contact Ronda Hall-Ramirez at rhall@pps.net

Please note that an adult in the household must have a minimum of conversational

Spanish as these students do not speak English.

Volunteers during Lunch/Recess

We are still in need of parents to volunteer during lunch/recess, from 12:05 to 12:50 PM. Mondays and Fridays are particularly high needs. Come experience a slice of Middle School and better understand your child's life here at school!
