How many days have passed this month?

April

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

This month your students will create the calendar markers and determine the pattern

Calendar Grid

8

The 2 x 4 rectangle has a perimeter of 12.
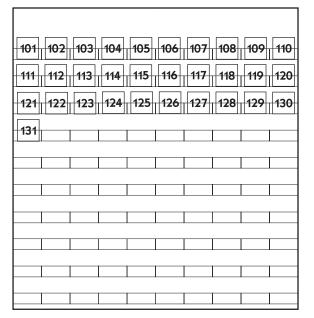

The 1 x 8 rectangle has a perimeter of 18.

Magnetic Tile

April

How many days have we been in school?

101	102	103	104	105	106	107	108	109	110
111	112	113	114	115	116	117	118	119	120
121	122	123	124	125	126	127	128	129	130
131									

Hundreds Grid

The Daily Number Chart Days of School
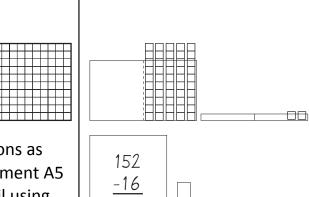

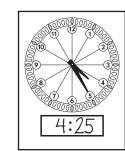

131

$100 + 31 = 131$

$25 + 25 + 25 + 25 + 31 = 131$

$(4 \times 25) + 31 = 131$

$65 + 65 + 1 = 131$

$200 - 69 = 131$

$100 + (3 \times 10) + 1 = 131$

$(200 - 70) + 1 + 131$
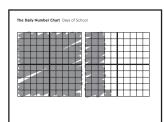

Daily Number Chart

$$\begin{array}{r} 152 \\ -16 \\ \hline \end{array}$$

The Base Ten Bank

4:25

Bean Clock

*Follow instructions as written in Supplement A5 Activity 4 for April using a variety of strategies.
