

## Pattern Block Growing Patterns (3A)

I copied the **pattern**. 

I built \_\_\_\_ more **arrangements**.

The **pattern** started with \_\_\_\_ and each time it grew by \_\_\_\_.

The last one I built had \_\_\_\_\_.

The 10<sup>th</sup> **arrangement** in the **sequence** will look like \_\_\_\_\_ because \_\_\_\_\_.

## Pattern Block Growing Patterns (3A)

I copied the **pattern**. 

I built \_\_\_\_ more **arrangements**.

The **pattern** started with \_\_\_\_ and each time it grew by \_\_\_\_.

The last one I built had \_\_\_\_\_.

The 10<sup>th</sup> **arrangement** in the **sequence** will look like \_\_\_\_\_ because \_\_\_\_\_.

## An Hour or Bust! (3B)

**Partner A:** I spun and colored in \_\_\_\_\_ **minutes.**

**Partner B:** I spun and colored in \_\_\_\_\_ **minutes.**

**Partner A:** I spun and colored in \_\_\_\_\_ **more minutes**  
for a **total** of \_\_\_\_\_ **minutes.**

**Partner B:** I spun and colored in \_\_\_\_\_ **more minutes**  
for a **total** of \_\_\_\_\_ **minutes.**

**Do I want to spin again?**

**Partner A:** Yes I do.

I spun and colored in \_\_\_\_\_ **more minutes**  
for a **total** of \_\_\_\_\_ **minutes.**

No I don't.

I don't want to spin again.

**Partner B:** Yes I do.

I spun and colored in \_\_\_\_\_ **more minutes**  
for a **total** of \_\_\_\_\_ **minutes.**

No I don't.

I don't want to spin again.

### **Math Bucket Mystery Patterns (3C)**

I took a handful of \_\_\_\_\_.

I **sorted** by \_\_\_\_\_ and \_\_\_\_\_.

Your **pattern** is \_\_\_\_\_.

My **pattern** is \_\_\_\_\_.

### **Math Bucket Mystery Patterns (3C)**

I took a handful of \_\_\_\_\_.

I **sorted** by \_\_\_\_\_ and \_\_\_\_\_.

Your **pattern** is \_\_\_\_\_.

My **pattern** is \_\_\_\_\_.

### **Which One Doesn't Belong (3D)**

\_\_\_\_\_ doesn't belong because \_\_\_\_\_.

### **Which One Doesn't Belong (3D)**

\_\_\_\_\_ doesn't belong because \_\_\_\_\_.

### **Which One Doesn't Belong (3D)**

\_\_\_\_\_ doesn't belong because \_\_\_\_\_.

### **Which One Doesn't Belong? Invent a Sheet (3E)**

I chose \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

\_\_\_\_\_ doesn't belong because \_\_\_\_\_.

### **Which One Doesn't Belong? Invent a Sheet (3E)**

I chose \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

\_\_\_\_\_ doesn't belong because \_\_\_\_\_.

### **Which One Doesn't Belong? Invent a Sheet (3E)**

I chose \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

\_\_\_\_\_ doesn't belong because \_\_\_\_\_.

## Count and Compare 2's (3F)

**Partner A:** My card is **worth** \_\_\_\_\_.

**Partner B:** My card is **worth** \_\_\_\_\_.

**Partner A:** I have \_\_\_\_\_.  
(more/less)

**Partner B:** I have \_\_\_\_\_.  
(more/less)

We spun \_\_\_\_\_ so \_\_\_\_\_ takes the cards.

***End of game:***

I have a **total** of \_\_\_\_\_ cards.

I have a **total** of \_\_\_\_\_ cards.

We spun \_\_\_\_\_ so \_\_\_\_\_ wins the game!
