

Update Classroom Consumable

Based on teacher feedback and in an effort to be efficient with district resources the following consumable items were removed from the grade level copy sets. However, they can be ordered, as needed, by individual classroom teachers.

If you would like to order any of the student resources listed below for use in your classroom please email textbooks (textbooks@pps.net) Please include your name, the grade level that you teach and your school. When you request an item, include the name of the resource **and** the PPS item number, as well the quantity you need.

Please order only for yourself and order only what you need. Allow 10-14 days for delivery.
