

Explore Your Elementary School Options

March 8, 2021 6pm-8pm

Zoom virtual meeting <https://pps-net.zoom.us/j/89435008607>

Please join us to learn about transferring into focus, alternative, dual language immersion and charter schools, as well as how to find and register for your neighborhood school. You will hear from program and transfer experts, meet school principals and have a chance to ask questions at this virtual event. Please download the latest version of Zoom to access all the meeting features.

Interpretation will be available in Spanish, Vietnamese, Cantonese, Mandarin, Russian and Somali.

A list of invited programs is on the back of this flyer and at www.pps.net/k-5options.
