

School-Based Child Care Programs - before and after school

Most PPS schools offer on-site child care programs. To register, contact your child care organization with enrollment and registration questions.

What do kids like about child care?

Arts and crafts, outdoor games, gardening, dramatic play, special clubs, science inventions, field trips, choice time, and homework time.

Child Care Information

- Program hours: 6:30 or 7 a.m. start time and 6 p.m. end time, 5 days a week, including in-service days, late opening, and breaks.
- Staff are state licensed and trained in Positive Behavior Interventions and Supports (PBIS)
- These child care program follow health and safety guidelines mandated by the Early Learning Division.
- Some schools do not offer on-site child care and in some cases, PPS provides transportation to nearby schools with child care. Contact your child care organization for more information.

Programs and bus service may be added and are subject to change.
