# SPEND SPRING BREAK with

# INDIAN EDUCATION & SATURDAY ACADEMY!

---

Students (grades 5-8) enrolled in PPS Indian Education can take two FREE classes this Spring Break!

---

**Dates:** Monday, March 23 – Wednesday, March 25

**Location:** Jefferson HS

**Time:** 8:30 AM – 4:00 PM daily

**Food:** Lunch provided

**Wearable Electronics :** Level-up your clothes, costumes or accessories such as hats, headbands or your dog’s collar with LED power! Learn and apply basic principles of electrical engineering such as circuits and switches while you plan your creative design. LED lights, wires, batteries and basic switches will brighten your crafty creation.

**Science of Crime Solving :** A mysterious crime, an unidentified victim and no suspects – but wait! Whose footprint is this? Students explore the scientific techniques used to investigate crimes as they examine a mock crime scene for clues on how the crime was committed and learn ways to identify the victim and possible suspects.

RSVP by emailing permission forms to [indianeducation@pps.net](mailto:indianeducation@pps.net)
