Parent/Student Survey 2021-2022**

DATE: \_\_\_\_\_

*This survey will provide valuable information to the teacher(s) as they determine how to best plan for instructional experiences in and out of the classroom. At parent-teacher conferences, your child's teacher(s) will discuss assessment information, differentiated strategies in the classroom, and explain how the use of those strategies will benefit your child's rate and level.*

*If you desire to meet with the teacher at any time before or after conferences, please phone or email them to make an appointment.*
