

Professional Learning Community Protocol for Discussing TAGAC Recommendations

Measure 1: Place Elementary and Middle School Students in Appropriate Level Math and Reading Classes

OUR NORMS FOR EFFECTIVE COLLABORATION

- All perspectives heard
- Speak freely without repercussion
- Need to disagree
- Honesty
- Open dialogue
- Positive climate
- Words of affirmation
- Respectful in all interactions
- Professional at all times
- Focused on the work and engaged

STEPS FOR EFFECTIVE COLLABORATION

Step 1: Dialogue about what should be

Step 2: Examine the practices that support current work

Step 3: Investigate what is possible soon and could be possible longer term

Step 4: Prioritize next steps (action items)

Step 5: List unanswered questions for further investigation and additional thoughts
