October 2011 Enrollment Summaries are based on enrollment on 10/3/2011 as reported on Period 1 Cumulative Average Daily Membership State Report.

Program type (i.e., elementary, middle, high, etc.) reflects the most recent administrative assignment. In recent years enrollment counts are compiled on or about the first of October. An enrolled student is defined as a student who attends one or more schools or programs within the District. Regardless of the number of schools or programs attended, each student is counted only once; the counts are unduplicated. Schools and programs that are no longer in operation are designated as "closed."

October 2011 Enrollment Summaries are based on enrollment on 10/3/2011 as reported on Period 1 Cumulative Average Daily Membership State Report.

Program type (i.e., elementary, middle, high, etc.) reflects the most recent administrative assignment. In recent years enrollment counts are compiled on or about the first of October. An enrolled student is defined as a student who attends one or more schools or programs within the District. Regardless of the number of schools or programs attended, each student is counted only once; the counts are unduplicated. Schools and programs that are no longer in operation are designated as "closed."

October 2011 Enrollment Summaries are based on enrollment on 10/3/2011 as reported on Period 1 Cumulative Average Daily Membership State Report.

Federal Child Nutrition (FCN)

While school breakfasts and lunches are available to all students at most sites, some students are eligible for either free or reduced price meals based on family size and income information supplied voluntarily by parents. The federal government provides funds for student breakfasts through the National School Breakfast Program and lunches through the National School Lunch Program.

FCN data are based on data in eSIS extracted on 11/4/2011, unless noted below.

Headstart by definition is 100% eligible.

Humboldt, King and Rosa Parks are Provision 2 schools where 100% of students are considered eligible for free meals; percentages shown represent Provision 2 base year eligibility.

Parry Center, Rosemont, Clinton Street, White Shield, Wildflowers are Residential Child Care Institutions and thus 100% of students are eligible for free meals.

Charters and Community-Based Alternative Programs do not necessarily use the PPS Nutrition Services Program and FCN numbers shown may be lower than actual, and are preliminary until they have been reviewed by those programs.

LEP

Limited English Proficient (LEP) is the count of students eligible to receive English as a Second Language (ESL) or Bilingual Services. (source: eSIS)

SpEd

Special Education (SpEd) is the count of students at each school with records flagged indicating participation in Individualized Education Plans (IEP), that is Special Education program students. (source: eSIS)

TAG

Talented and Gifted enrollment is the count of students identified as academically talented, intellectually gifted or TAG potential, as measured by Talented and Gifted criteria. (source: eSIS)

October 2011 Enrollment Summaries are based on enrollment on 10/3/2011 as reported on Period 1 Cumulative Average Daily Membership State Report.

Federal Child Nutrition (FCN)

While school breakfasts and lunches are available to all students at most sites, some students are eligible for either free or reduced price meals based on family size and income information supplied voluntarily by parents. The federal government provides funds for student breakfasts through the National School Breakfast Program and lunches through the National School Lunch Program.

FCN data are based on data in eSIS extracted on 11/4/2011, unless noted below.

Headstart by definition is 100% eligible.

Humboldt, King and Rosa Parks are Provision 2 schools where 100% of students are considered eligible for free meals; percentages shown represent Provision 2 base year eligibility.

Parry Center, Rosemont, Clinton Street, White Shield, Wildflowers are Residential Child Care Institutions and thus 100% of students are eligible for free meals.

Charters and Community-Based Alternative Programs do not necessarily use the PPS Nutrition Services Program and FCN numbers shown may be lower than actual, and are preliminary until they have been reviewed by those programs.
