October 2014 Enrollment Summaries are based on enrollment on 10/1/2014 as reported in the Period 1 Cumulative Average Daily Membership State Report.

Students receiving Special Education services only who are not regularly attending, but are in the student information system (SIS), are excluded from the enrollment summaries.

Program type (i.e., elementary, middle, high, etc.) reflects the most recent administrative assignment. In recent years enrollment counts are compiled on or about the first of October. An enrolled student is defined as a student who attends one or more schools or programs within the District. Regardless of the number of schools or programs attended, each student is counted only once; the counts are unduplicated. Schools and programs that are no longer in operation are designated as "closed."

October 2014 Enrollment Summaries are based on enrollment on 10/1/2014 as reported in the Period 1 Cumulative Average Daily Membership State Report.

Students receiving Special Education services only who are not regularly attending, but are in the student information system (SIS), are excluded from the enrollment summaries.

Program type (i.e., elementary, middle, high, etc.) reflects the most recent administrative assignment. In recent years enrollment counts are compiled on or about the first of October. An enrolled student is defined as a student who attends one or more schools or programs within the District. Regardless of the number of schools or programs attended, each student is counted only once; the counts are unduplicated. Schools and programs that are no longer in operation are designated as "closed."

October 2014 Enrollment Summaries are based on enrollment on 10/1/2014 as reported in the Period 1 Cumulative Average Daily Membership State Report.

Students receiving Special Education services only who are not regularly attending, but are in the student information system (SIS), are excluded from the enrollment summaries.

Federal definitions state that any student designated with Hispanic ethnicity will be counted in the Hispanic sub-group, even if the student also has one or more race designations). Non-Hispanic students with multiple race designations are counted in the Multiple Races sub-group. Non-Hispanic students with only one race designation will be counted in that racial sub-group.

**Note:**

Enrollment is based upon the enrollment on 10/1/2014 as reported in Period 1 Cumulative Average Daily Membership (ADM) Report.

While school breakfasts and lunches are available to all students at most sites, some students are eligible for either free or reduced-price meals based on family size and income information supplied voluntarily by parents or through data shared by the state with the school district. The federal government provides funds for student breakfasts through the National School Breakfast Program and lunches through the National School Lunch Program.

Free Meal % is the percent of students eligible to receive Free Meals. The criteria is up to 130% of poverty level (\$31,000 for a family of 4), categorical reason (e.g., SNAP, TANF, foster), or a student is at a Community Eligibility Program (CEP) school. CEP offers free meals to all students, including students that would not normally qualify for free meals. This makes Free Meal % not comparable across schools and not comparable for a CEP school over time.

Reduced-Price Meals % is the percent of students eligible to receive Reduced-Price Meals. The criterion is up to 185% of poverty level (\$44,000 for a family of 4) and is based on a paper application. This metric is not comparable across schools, as CEP schools do not collect paper applications, whereas non-CEP schools do.

Free Meal by Direct Certification % is the percent of total students who receive free meals through data shared by the state with the school district. This excludes students eligible for free meals by paper application or students eligible for free meals because they are enrolled in a CEP school but who do not meet income guidelines if they were not at a CEP school. Free Meal by Direct Certification % is comparable across all schools.
