## **Introduction**

This summary report is a profile of current and historical enrollments for Portland Public Schools. Included herein are various summaries of these data, *e.g.*, by building, grade level<sup>1</sup>, ethnicity, and gender.

Enrollment counts are compiled on or about the first of October. An enrolled student is defined as a student who attends one or more schools or programs within the District. Regardless of the number of schools or programs attended, each student is counted only once; the counts are unduplicated.

These are interim summaries pending the publication of the entire October 2003 *Enrollment Report*.

---

<sup>1</sup> The grade level category 'UN' represents ungraded, unassigned or unclassified students, *e.g.*, special education students who attend special education classes in separate classrooms.

Program type reflects most recent administrative assignment. In recent years enrollment counts are compiled on or about the first of October. An enrolled student is defined as a student who attends one or more schools or programs within the District. Regardless of the number of schools or programs attended, each student is counted only once; the counts are unduplicated.

Enrollment summaries for the 2003-04 school year no longer include the following programs: Hospital Programs (Emanuel, Oregon Health Science University, Oregon State and Shriners Hospitals); M.E.S.D. Functional Living Skills; Portland Early Intervention Program (PeiP) and Columbia Regional Programs (Autism, Deaf and Hard of Hearing, Orthopedic and Vision Services). Administration of the Hospital Programs, Functional Living Skills and PeiP was transferred to Multnomah Education Service District (M.E.S.D.). Historically, enrollments reported for Columbia Regional Programs represent non-District students served by PPS staff on a part-time basis. For purposes of State reporting, membership (i.e., enrollment) for Columbia Regional Program students is reported by the resident District.

Brooklyn and Meek Elementary Schools were closed at the end of the 2002-03 school year. Most students residing in the Brooklyn neighborhood area now attend Grout Elementary, while those residing in the Meek neighborhood area attend Vernon Elementary.
