Summary ¹		17,699	35.0	4,173	8.3	21,872	43.3	50,544

¹ The District summary line excludes schools and programs not served by Nutrition Services.

While school breakfasts and lunches are available to all students, some students are eligible for either free or reduced price meals based on family size and income information supplied voluntarily by parents. The federal government provides funds for student breakfasts through the School Breakfast Program and lunches through the National School Lunch Program. Percents are based on October enrollment. Student entitlement data is provided by the Nutrition Services Office.

Summary ²		17,699	35.0	4,173	8.3	21,872	43.3	50,544

¹ The Marshall High summary includes 76 students attending the Night School, although Federal Child Nutrition (FCN) programs are not offered in the evening. The free and reduced-price meal rate excluding these students is 55.9% [641 (FCN eligible) / 1,146 (October enrollment for day program)].

² The District summary line excludes schools and programs not served by Nutrition Services.

While school breakfasts and lunches are available to all students, some students are eligible for either free or reduced price meals based on family size and income information supplied voluntarily by parents. The federal government provides funds for student breakfasts through the School Breakfast Program and lunches through the National School Lunch Program. Percents are based on October enrollment. Student entitlement data is provided by the Nutrition Services Office.
