Percentages rounded to the nearest percent, therefore may not add up to 100%. Free and Reduced Meal Percentages for Neighborhood based on individually flagged students.

Neighborhood area (or attendance area) refers to the assigned geographic area (based on the grade) of a neighborhood school from which most of the student enrollment is drawn. Only PPS regular elementary, middle and high school programs have assigned attendance areas.

Focus/Alternative, Community-based Alternative, Special Services and Charters do not have assigned geographic enrollment areas; rather these programs draw students from the entire District. For definitions of Neighborhood, Other PPS Neighborhood, Focus/Alternative, Community-based Alternative and Special Service see School Profile Definitions.
