Notes

Classes taught by Special Education and ESL teachers are excluded from this calculation. Certain classes with questionable data are also excluded.

Data were extracted from eSIS and HRMS effective January 15, 2010. Students' room assignments were matched with teachers, course codes, period of the day.

Title-I is a federally funded program seeking the improvement of the academic achievement of the disadvantaged. Portland Public Schools allocates these funds to schools with Free and Reduced Price Meal Eligibility (F&RPM) percent greater than 40% for PK-8 and greater than 75% for High Schools.

Class sizes in this snapshot include courses in addition to core courses. Since this snapshot as of January 15, 2010, these class size averages differ from 2008-09 SY class sizes shown on individual school profiles.
