Classes taught by Special Education and ESL teachers are excluded from this calculation. Certain classes with questionable data are also excluded.

Data were extracted from eSIS and HRMS effective January 15, 2011. Student room assignments were matched with teachers, course codes, and period of the day. For K-8 schools and summary average calculations, grade K-5 homeroom classrooms re-weighted for comparability with grade 6-8 course structure.

Title I is a federally funded program seeking the improvement of the academic achievement of the disadvantaged. Portland Public Schools allocates these funds to schools with Free and Reduced Price Meal Eligibility (F&RPM) percent greater than 40% for PK-8 and greater than 75% for high schools.
