Madison	Spanish	Spanish, Vietnamese	Spanish			
Roosevelt	Spanish	Spanish	Spanish			
Wilson						

Note:

%DC = Percent of neighborhood students qualifying for free lunch by direct certification; a measure of poverty.

%HU = Percent of neighborhood students who identify as a historically underserved race/ethnicity (Black, Hispanic, Native American, or Pacific Islander).

Student-Classroom Ratio = Number of enrolled students divided by the number of classrooms; a measure of facility utilization.

*** Split feeder patterns** = Note that this list does not include dual assignment choice for Jefferson cluster students; students in these dual assignment areas can choose to attend either Jefferson or, depending on the area, Grant, Madison, or Roosevelt.

Calculation of forecast enrollment, % direct certification, and % historically underserved is underway and will be provided in a future version of this report.
